Washington State 4-H GROWS!

We welcome you to participate in Washington State 4-H Fair, which is a 120 year-old tradition of the partnership between the Washington State Fair and the Washington State University Extension 4-H Youth Development Program.

The Washington State Fairs system, and the Washington State 4-H Fair are wonderful avenues for 4-H youth to showcase their talents and exhibit their project work. Fairs contribute to life skill development by teaching young people sportsmanship, cooperation, leadership, time management, team work, responsibility, knowledge development, positive personal interrelationships, respect for self and others, and communication skills. And of course, 4-H members also have fun while they learn, achieve goals and spend time with friends.

The entire 4-H Youth Development Program joins with the State 4-H Fair Board in thanking the Washington State Fair for their longstanding partnership and support for our state's young people. It is the Washington State Fair's support that makes our State 4-H Fair possible. We are quite literally a 'fair within a fair'.

We hope that you enjoy yourself as you visit the 2023 edition of the Washington State 4-H Fair. We hope you enjoy your walk through the 4-H Building and barns, and take time to interact with youth as they conduct workshops and hands-on demonstrations for the public.

The Washington State 4-H Fair not only makes great memories, it helps 4-H youth grow into successful adults.
