Washington State 4-H GROWS!

We welcome you to participate in Washington State 4-H Fair, which is a 120 year-old tradition of the partnership between the Washington State Fair and the Washington State University Extension 4-H Youth Development Program.

The Washington State Fairs system, and the Washington State 4-H Fair are wonderful avenues for 4-H youth to showcase their talents and exhibit their project work. Fairs contribute to life skill development by teaching young people sportsmanship, cooperation, leadership, time management, team work, responsibility, knowledge development, positive personal interrelationships, respect for self and others, and communication skills. And of course, 4-H members also have fun while they learn, achieve goals and spend time with friends.

The entire 4-H Youth Development Program joins with the State 4-H Fair Board in thanking the Washington State Fair for their longstanding partnership and support for our state’s young people. It is the Washington State Fair’s support that makes our State 4-H Fair possible. We are quite literally a ‘fair within a fair’.

We hope that you enjoy yourself as you visit the 2024 edition of the Washington State 4-H Fair. We hope you enjoy your walk through the 4-H Building and barns, and take time to interact with youth as they conduct workshops and hands-on demonstrations for the public.

The Washington State 4-H Fair not only makes great memories, it helps 4-H youth grow into successful adults.
AIMS AND PURPOSES OF THE
WASHINGTON STATE 4-H FAIR

The Washington State 4-H Fair, a collaborative community event, showcasing and promoting the achievements and talents of youth as they work toward building their successful futures. We accomplish this by:
- Providing educational experiences relating to projects, activities, personal skills and accomplishments;
- Providing recognition and inspiration to 4-H members and leaders toward greater achievement;
- Providing an opportunity and challenge to broaden relationships with others youth and adults and with other 4-H programs;
- Provide a dynamic and comprehensive review of 4-H and its accomplishments to the people of the State of Washington.
- Educating and engaging the community.
- Developing leadership skills.

Foods (Class 120) Exhibits – will be accepted on your county day, Aug 30 - Sep 22, or on any day you will be participating in other fair activities. DO NOT MAIL CLASS 120 EXHIBITS.

Garden (Class 160). Exhibits – will be accepted as scheduled on Aug 30 - Sep 22, or on any day you will be participating in other fair activities.

Educational Displays (Class 70) – will be accepted on Aug 26 -27. If animal educational displays are entered prior to the animal show, they will be stored in the Exhibit Building. Exhibitors may pick them up when they arrive with their animals and display them in the appropriate barns.

Mail In Entries – will be accepted until late entry day (Sept 17). If received after Aug 28, the items will be stored and judged as judges are available. Exhibits will be put on display after judging.

Fleece/Fiber (Classes 310-313) Exhibits – may be entered on Aug 26-27 with the still life exhibits in the 4-H Display Building, or on Sept 13, from 10 am to 1 pm in the Llama Display Area of Barn M. Those items entered pre-fair will be stored until Sept 13.

**EQUINE DUE/RELEASE**

No equine will be admitted to barns until vet checked. If your animal doesn't pass vet check, you will need to take it home immediately. There are no facilities to hold rejected animals. Equine should arrive so vet check can be completed and animals stalled during the hours given below for each section. No vets are scheduled after check-in time.

All equine and tack must be out of the barns, and stalls completely cleaned immediately following barn release announcement, to allow time to prepare the barns for the next section. Animals and tack must be removed immediately when released. You are encouraged to remove excess tack and equipment early on release day; you can drive onto the fairgrounds until 8:45 am for this purpose.

STATEMENT OF RESPONSIBILITY
1. 4-H exhibits at Washington State 4-H Fair are entered and displayed at the risk of the exhibitor. The State 4-H Fair Board, Washington State Fair, or Washington State University cannot accept responsibility for loss or damage due to the conditions imposed by large crowds, the arrangements of the buildings in which displays are housed, and the great number of exhibits. 4-Hers who have exhibits of great sentimental and/or monetary value should carefully consider whether such exhibits should be exposed to the possible hazards of the Fair.
2. 4-H members are responsible for any item they bring to the State 4-H Fair. All unclaimed items (three days following the close of the fair) will be donated to charity. Contact Kellian Whidden for information on exhibits.
3. The health and general welfare of all project animals are of concern to both the Washington State Fair Association and the State 4-H Fair Board of Trustees. Minimum veterinary requirements have been established by the WA State Department of Agriculture Veterinarian’s Office. All animal exhibitors are strongly encouraged to take additional prophylactic measures to further safeguard their animal’s health, as advised by their own veterinarian. The 4-H exhibitor assumes all responsibility for the health and welfare of his/her animal exhibit.
4. The management reserves the right to dismiss any animal showing signs of lameness, unsoundness, or stress from further participation at the State 4-H Fair, upon recommendation of the official fair veterinarian. Judges will be instructed to not consider dismissed animals in their evaluation.

PERSONALITY RIGHTS
Exhibitor hereby grants to the Washington State Fair (WSF), Washington State University (WSU), and the Washington State 4-H Fair the irrevocable, assignable, worldwide right and license to use, alter and publish his/her image, alone or together with other images and text, for WSF, WSU, and WA State 4-H Fair publications and for all other purposes reasonably related to promotion of WSF, the Spring Fair in Puyallup and Puyallup Fair, WSU, and the WA State 4-H Fair, in any manner and in any medium now known or later developed, without the need for exhibitor’s prior approval. This right and license will govern all images of exhibitor, whether created before or after the date of these Rules and Regulations, unless exhibitor notifies WSF, WSU, and the WA State 4-H Fair in writing that a desire to exclude specific images from this right and license. Exhibitor hereby releases the photographer and/or videographer and WSF, WSU, and the WA State 4-H Fair, its agents and assigns, from all claims and liability relating to the licenses that exhibitor has granted in this license and release. This license and release will not obligate WSF, WSU, or the WA State 4-H Fair to use or publish exhibitor’s image or use the rights the exhibitor has granted.

CONCUSSION PROTOCOL
A 4-H member who is suspected of sustaining a concussion or head injury during 4-H shows, activities, and events shall be removed from the event at that time. Any 4-H member who has been removed from an event as a result of a suspected head injury may not return to participation until the member is evaluated by a licensed health care provider trained in evaluation and management of concussions and received written clearance to return to participation. (RCW 28A.600.190)

This concussion protocol statement is directly from the current year WSU 4-H Policy and Procedure Handbook. The policy is in effect for the State 4-H Fair and will be followed.

ENTRY INSTRUCTIONS

A. COUNTY OFFICE ENTRY DEADLINES
1. County offices should order State 4-H Fair entry tags from: Bulletin Department, Publications Building, WSU, Pullman, WA 99164-5912. Items are available July 1. Please register all entries in Fair Entry at http://washington-state-4H.fairentry.com  All exhibitor letters will be available on the State 4-H Fair website.

2. Please send to the State 4-H Fair Puyallup address:
   Postmark, by August 23 (Earlier if possible.) Notify Manager if date cannot be met. If mailing after Aug. 23, send as available; do not wait for a complete package of information.
   - County Activity Schedules (forms WS4HF/1.06m, WS4HF/1.07m, WS4HF/1.08m) (may e-mail or fax)
   - All Animal Entry Round Up Forms (packaged with the Round Up form for that animal species or equine section)
   - Only forms WS4HF/1.01m for all 4-H exhibitors who could not complete an entry in Fair Entry online.

B. GENERAL ENTRY COMPLETION
1. It is the responsibility of County Extension Offices to certify the eligibility of their State 4-H Fair participants and exhibitors. If participants are not listed on appropriate report forms and those forms received at the State 4-H Fair office prior to participation, 4-H members may not be allowed to participate at the State 4-H Fair in those events.

2. Entries should be completed in Fair Entry at http://Washington-State-4H.fairentry.com  See guide on how to enter at: State 4-H Fair | 4-H Youth Development Program | Washington State University (wsu.edu) under Resources.

   You must use your 4-H Online login and password to access Fair Entry. Look for the Green bar on the left side of the screen.

   Exceptions to entry and removal times will only be given by permission of the State 4-H Fair management, in consultation with the department superintendent.

   You must enter the lot for each class even if there is only one lot listed in Fair Entry.

   Be sure that your current mailing address is correct in Fair Entry. Premium checks will be mailed to the exhibitor’s address as stated in Fair Entry. Premiums will be forfeited if mailing address is missing or illegible.

   Please provide your county number to your exhibitors for inclusion on their entry in Fair Entry.

   If a WSU4HF/1.01m form is used please be sure the entry form is legible. Print clearly and firmly.

   The Fair shares responsibility, for finding errors in entries, with County Extension Offices. Every attempt will be made to pay premiums on correct entries as quickly as possible. Problem entries will be paid after they are corrected.

   For exhibitors with a disability: At the exhibitor’s option, nature of the disability may be stated on the entry form if it affects their performance ability. (E.g.: Hearing impaired - cannot hear the judge’s instructions.)

   No exhibitor shall be entitled to an award that has been disallowed as the result of his/her own error.

   The Fair management will withhold payment of premiums for exhibits that are ineligible under State 4-H Fair rules, and may recover premiums paid for ineligible entries disclosed during post audits of Fair records.

C. ACTIVITY ENTRIES (CLASSES 1-36)  PLEASE DO NOT COMPLETE ENTRY FORM IN ADVANCE.
1. Registration in Fair Entry or Exhibitor Primary Information form (WS4HF/1.01m will be required of all participants at the State 4-H Fair. Form WS4HF/1.01m should be completed prior to arriving at the fair and turned in to the County Extension office, or mailed/faxed to State 4-H Fair as instructed by county office.

   The entry form will be filled out at the State 4-H Fair at the time of the activity.  Please do not complete this form in advance.

   Activity exhibitors should notify their County Extension office or the State 4-H Fair office immediately if they cannot participate in the Fair. This will allow an opportunity for alternates to attend the Fair.

D. STILL LIFE ENTRIES (CLASSES 40-330)
1. Still life entries will need to register in Fair Entry for all exhibits in Classes 40-330. Exhibitors may either (1) register in Fair Entry and bring their exhibits to the fair or (2) complete registration in Fair Entry when making entry. Registering in Fair Entry must be completed and printed before attaching to all exhibits mailed to the fair. If unable to access Fair Entry, then the Still Life/Activities Entry form will be required with each entry. Each class and lot must be attached to each exhibit, this can be a printed entry tag.

   Each separate part of an exhibit must have a completed exhibit tag (C0673) attached securely to it. Indicate on both halves of C0673, when there is more than one piece to an exhibit, “1 of 3”, “2 of 3”, etc.

   Check carefully the information preceding each class. Some classes require 3x5 cards with specific information. While these cards are not judged as part of the exhibit, the information they give judges helps the judge determine appropriate placing.

   Team and group exhibits are encouraged. The exhibit will be entered using the group’s title. Please provide the address of the adult group leader to whom premiums should be sent. Double premium points will be awarded to the
group, in recognition of additional teamwork efforts. Each member of the group will receive the appropriate placing ribbon. Note the number of members in the group on the margin of the green entry card. Also note “group exhibit” on the exhibit title line in addition to the exhibit description, on the green entry card.

5. Non-perishable, non-breakable items may be shipped or mailed. A completed packing form (WS4HF/1.52b) must be enclosed in each box shipped to the State 4-H Fair. Entry forms and exhibit tags must be filled out and securely attached to each item. Sufficient return postage must be sent in a separate letter to the Fair manager with a copy of the packing form, if the entry is to be returned. US Postal Service will be used to ship all items back to the exhibitor.

6. Refer to Class 70 for information regarding educational displays. All still life educational displays are to be brought in with still life exhibits (see pre-fair and late fair entry dates). If animal-related educational displays destined for animal stall/pen display are delivered prior to the animal show, they will be stored in the 4-H Exhibit Building. Exhibitors may pick them up at that location on animal check-in day. Educational exhibits remaining after other exhibits have been removed will be discarded, unless the exhibitor provides packaging and postage prior to the end of the fair.

7. Still life entries from fairs with late show dates must reach 4-H State Fair no later than Sept. 18, to be judged.

8. Each individual, club or county must make arrangements for the removal of their exhibits at the close of the Fair. The exhibit building is closed after Sept. 24; all still life exhibits must be out by that time.

9. All exhibits MUST be checked out with the 4-H Fair clerks before removal from building, on Sept. 23 and 24. The bottom portion of the exhibit tag (C0673) must be presented to retrieve exhibits. Exhibits may be picked up on Sept. 23 from 1pm - 6pm, and on Sept. 24 from 10am - 5pm. Arrangements must be made with State 4-H Fair officials for later removal of exhibits.

10. Fair management reserves the right to change classes as deemed appropriate.

No exhibits will be released before 1pm on Monday, September 23.

E. ANIMAL ENTRIES (CLASSES 400-999)

1. Use Fair Entry to enter all animal classes. The animal will need to be entered into Fair Entry or selected from the list if in 4-H Online. List all Classes 400-999 in your enter (herdsmanship, fit & show, type, obedience, performance, obstacle, etc.).

2. Livestock, rabbit, and cavy exhibitors are encouraged to list qualified alternate animals on their entry form. Very often, those animals will be invited to be exhibited as notice of other cancellations are received. Please designate which animals are alternates.

3. Youth simultaneously enrolled in 4-H and FFA programs must have separate projects or animals for each program during the same program year. The program year is October 1 – September 30, for both organizations. Members cannot exhibit the same product or individual animal in both FFA and 4-H divisions during one program year.

4. The 4-H Exhibitor Commitment to Quality Animal Care statement is presented elsewhere in this book. Choosing to participate as a 4-H exhibitor of animals in this Fair obligates the exhibitor to follow the Commitment.

5. Exhibitor Primary Information questions shall be completed on your Fair Entry enrollment. These questions will be required of all State 4-H Fair participants. If unable to complete enter in Fair Entry then a complete Livestock/Animal Entry Form should be completed and either returned to the County Extension office by date as requested by the county office, or mailed directly to the State 4-H Fair office so that it is received at the State 4-H Fair prior to participation at State 4-H Fair.

6. Animal exhibitors should notify their County Extension Office or State 4-H Fair Office immediately if they cannot participate at the State 4-H Fair. County Extension personnel are expected to relay all changes, immediately, to the State 4-H Fair. Failing to notify State 4-H Fair of cancellations, following receipt by State 4-H Fair of entry forms, may result in reduction of allocations to the county in the following year in that section. Unfilled pens and stalls revert to the State 4-H Fair for reassignment.

PARTICIPANT ELIGIBILITY

1. There is a judging fee of $8.00 per exhibitor for those entering items in judged classes. The entry fee will be deducted from the premium checks of each exhibitor. If the exhibitor has earned less than $8.00 in premiums, no premium check will be issued to the exhibitor. The judging fee does not apply to non-judged activities (4-H in Action, Performing Arts, and Educational Posters).

2. All participants must be a part of the county quota. Quotas, based on each county’s previous year’s enrollment, past participation, and space availability, will be sent to each county. Requests for quota increases should be directed to the State 4-H Fair Office (WSU-Puyallup) by County Extension personnel. Cancellations without notification, following
receipt of entry forms at the State 4-H Fair office, may result in reduction of allocations to that county the following year.

3. Pre-qualifying at the county level is required for all projects except those specifically listed in the exhibitor guide.

4. To insure allocations are followed this year, all animal entry roundup forms must come from the WSU Extension Office in each county to the State 4-H Fair Office. We will not accept entry forms from individuals who are not listed on the county animal roundup forms.

5. Exhibitors are to be enrolled in the projects they exhibit. Exhibitors must be enrolled in the county that they represent at the State 4-H Fair.

6. 4-H members from all counties are eligible to participate in the State 4-H Fair. Age groups reflect the age as of October 1 of the current 4-H year. Please note we are at the end of the 4-H year so the age used will be as of Oct 1, 2023.

7. Only events for which there are classes and lots in the State 4-H Fair Exhibitor Guide may be entered.

8. Unless otherwise specified, exhibitors are allowed one entry per each class or lot, as appropriate.

9. The article or animal entered must represent project work completed in the current year (e.g., canned, grown, made, owned, or cared for by the 4-H member). Canned foods must have been prepared after the past year’s county qualifying event. Each county is responsible to certify eligibility of exhibits and exhibitors.

10. 4-H’ers with disabilities are encouraged to participate in all classes. The nature of the disability may be considered by the judges in all activities and animal categories at the exhibitor’s discretion. A policy of mainstreaming will be applied with positive encouragement for participation.

11. In all judged classes, all team members must be of the same age group.

12. All exhibits entered in accordance with the premium list will be judged. Some exhibits may not be displayed.

13. 4-H members planning to enter in a still life department of the Washington State Fair may do so, but no article may be entered in both fairs. Exhibitors of registered animals may make special arrangements with the department superintendent to show in both 4-H and open class when appropriate. All animals entered in the 4-H exhibit must be stalled and cared for in their assigned county 4-H location even if also being shown simultaneously in an open class show.

14. A Memorandum of Understanding, agreed upon by both the Washington State University Extension 4-H Youth Development Program and Agriculture Education - Washington FFA Association, defines cooperative participation in both youth programs, and will be followed by the Washington State 4-H Fair. The Memorandum is available from your county Extension office, the Washington State 4-H Fair, or your local Vo. Ag. Instructor.

15. See Classes 12-22, Judging Contests, for information on all judging contest eligibility. SEE INDIVIDUAL CLASS OR EXHIBIT SECTION FOR ADDITIONAL INFORMATION ON ELIGIBILITY AND PROCEDURES.

16. Eligibility is determined by the following:

EXHIBITOR INFORMATION

A. ADMISSION PASSES

1. Through the courtesy of the Washington State Fair, hosts of the State 4-H Fair, passes are available for all participants and adult chaperones or drivers as described in paragraphs #2 and #3. PASSES ARE NOT PROVIDED FOR OTHER FAMILY MEMBERS OR FRIENDS.
2. One youth pass and one adult pass will be distributed by county offices to exhibitors, prior to fair participation date. Additional family members planning to enter the gates before the daily opening, may purchase tickets in advance at the State 4-H Fair Office on the fairgrounds.

3. Exhibitors will obtain additional passes for themselves and one adult, based on the number of days of participation, at the State 4-H Fair Office upon arrival at the fairgrounds. Passes will be available for livestock, llama and rabbit/cavy exhibitors in their exhibit barns 6:30 -10 a.m. on the morning of entry. After that time, and for all other exhibitors, passes will be available at the State 4-H Fair Office. See daily gate schedule for important information about gate times and ticket purchase.

B. PARKING
1. Parking is available adjacent to the fairgrounds. The color of the parking lot coincides with the color of the nearest admission gate. All admission gates, except the Service Gate, open at 7:00am. The Service Gate is open 24 hours for exhibitors. If you drive onto the fairgrounds, your vehicle may be subject to search. Expect delays. Tickets are sold at all admission gates starting at 10am daily.
2. There is no free or complimentary parking.
3. Livestock trailer storage lot permits are available at time of arrival in the parking lot, and are only valid for the duration of your show section.

C. SHUTTLES
There is a tack shuttle for delivery of equine and livestock tack to and from the truck parking lot west of the fairgrounds. The Assistant Manager in charge of the show area must request its use. Use of the shuttle is limited on the weekends. A delivery tram is available at the Service Gate that can deliver heavy items to the 4-H barns and display areas or other areas on the fairgrounds. The delivery tram runs on a regular schedule; delivery may be delayed.

D. CAMPER AND MOTEL RESERVATIONS
1. Space rental is available for trailers and campers on a first come reservation basis. NO TENTS ARE ALLOWED. No reservation is confirmed until full payment is made. Refunds will be made if WSF is notified three days in advance of reserved date. Phone Washington State Fair, (253) 845-1771, for reservation forms, cost and/or other details. Trailer space is limited, so early arrangements should be made. The camper reservations office opens July 10.
2. Accommodations in the camping lot and dormitories are limited. A list of area motels is available from your county extension office. It is recommended you make motel reservations early in the summer.

E. DRESS AND BEHAVIOR
1. 4-H members are expected to present a clean, neat appearance at all times. Dress should be appropriate for the event, and should reflect the personal achievement of participants at the Washington State 4-H Fair.
2. Dress casually, but neatly and appropriately. If you choose to dress inappropriately, you will be asked to change.
3. Articles of clothing which display profanity, products, or slogans which promote tobacco, alcohol, drugs, sex, or advertise gang symbols or affiliation are prohibited.
4. Items of clothing which expose bare midriffs, bare chests, undergarments, or that are transparent (see-through) are prohibited. Halter tops, tube shirts, and spaghetti straps are not appropriate.
5. Super short or skirts, even with leggings are not acceptable.
6. Exhibitors found in violation of rules or in practices unethical or inimical to the 4-H program shall be penalized by forfeiture of all premiums, prizes, ribbons, awards and/or privileges as deemed appropriate to the circumstances by the Manager.
7. The Washington State 4-H Fair does not condone hazing, in any of its forms. Offenders will be immediately released and all premiums and awards will be forfeited.

PREMIUMS AND RECOGNITION

A. AWARDS, PREMIUMS & RECOGNITION
1. It is anticipated that all awards and recognition will be met in full. However, in the event that the financial position of the Fair warrants, those awards and recognition not provided by donors may be reduced at the discretion of the Washington State 4-H Fair Trustees.
2. All exhibit judging will be based on the group (Danish) system of judging, and will use scorecards approved by WSU Extension.

3. Ribbons will be awarded at the discretion of the judges or officials, to participants in each class. The group (Danish) system will be used to determine the ribbon received by each participant. Champion rosettes will be awarded to blue ribbon winners only. All ribbons will be awarded at completion of participation, when possible, or will be mailed to the county Extension office at the close of the Fair.

4. The Fair will not recover ribbons issued in error. Scoring corrections will be made in the show record; premiums will be paid on the higher placing. For exhibitors of canines, the correct score will be used for future obedience class placement. The appropriate assistant manager will be consulted prior to any changes.

5. See each class and lot for premium points.
6. The value of the points will be determined after the show, based on total points awarded and monies allocated for premiums.
7. An entry fee of $8.00 for all participants in judged activities will be deducted from each exhibitor’s premium check. This is a flat per person fee for all participants in judged classes. The following classes are not considered judged activities: 4-H in Action, Performing Arts, Educational Posters.

8. For all exhibitors earning special cash awards, the cash award will be added to the exhibitor’s premium check and issued as one check.

B. PREMIUM CHECK CASHING POLICY
1. Premium checks will be mailed to individual exhibitors.
2. Checks damaged beyond acceptability by bank will be immediately re-issued upon return of the check to the WA State 4-H Fair Manager. Lost checks, or destroyed checks that cannot be presented in any form will be re-issued upon request, beginning 45 days following original issue date, for 90 days. Please contact the State 4-H Fair Manager – kellian.st4hfair@gmail.com
3. All premium checks are void 90 days after the date of issue. After the 90 days expires, all uncashed premiums will revert back to the fair.

C. PROTESTS
Each protest must be lodged, in writing, by at least two exhibitors. Each exhibitor lodging a protest must be from a separate county. In classes with a single exhibitor or participant, or with only one or two counties exhibiting, a single exhibitor may protest. The protest must be filed with the fair manager within 12 hours of the time of the cause of the protest, along with a fee of $25.00, which is refundable only if the protest is upheld. The judge’s decision is not protestable, unless a rule has been violated. A committee selected by the fair manager will act upon the protest. Exhibitors filing protests will be asked to give a verbal report to the committee in a private meeting, and answer any questions from the committee and manager. Show volunteers, judges, or staff will also be asked to give a verbal report and answer questions from the committee and manager. The committee’s decision will be final, and the exhibitor making the protest will receive a written decision.

D. POLICY FOR SPONSORED AWARDS
1. Sponsored awards from individuals, corporations, associations, etc., are encouraged for exhibitors in any and all project areas. All sponsored awards must be approved by the State 4-H Fair Manager, based on policies developed by the State 4-H Fair Board. Proposed awards must be received by the manager prior to the affected show section and not be restrictive in nature. Restrictive criteria would include mandatory use of products, trade names, or breed association requirements such as registered animals only. It would also be considered restrictive to discriminate within an age group or breed. All 4-H exhibitors in a particular project area will be eligible and department superintendents will be notified of applicable sponsored awards prior to the opening of the Fair.
2. Donors are encouraged to provide awards of:
   a. Project-related equipment
   b. Cash awards or savings bonds
   c. Trophies, bowls, special ribbons
   d. Certificates
3. If an award is given to a group, such as a top judging team, an award should be given to each member of that team.
4. Recipients of sponsored awards will be determined by the judge’s decision. Sponsors will not select any recipients for awards.
5. Sponsorships will be reviewed annually. A commitment of three years is encouraged. Awards to be reviewed for the 2024 State 4-H Fair should be submitted to the Fair manager by August 20. Acceptance or rejection of any proposed
sponsoring the Fair Manager in consultation with the Awards and Recognition Committee of the State 4-H Fair Board of Trustees. Letters of proposal should be addressed to the Puyallup address of the Washington State 4-H Fair or calls made to the Fair Manager.

6. The Washington State 4-H Fair Board appreciates all gifts and donations to the State 4-H Fair. Sponsorships of awards to exhibitors are welcome in all areas.

7. Donations or sponsorships other than those awards made directly to exhibitors or for specific awards will be placed into the general fund of the State 4-H Fair, and managed by the Board of Trustees. All funds will be used to provide an equal opportunity for each participant and to showcase Washington 4-H to our citizens.

E. ZONE PREMIUMS
Exhibitors in activities and animal classes will receive additional premiums as shown; they are added only once for each exhibitor.

JUDGING CONTESTS

GENERAL JUDGING CONTEST INFORMATION AND RULES

1. SEE THE DAILY PROGRAM SCHEDULE FOR SCHEDULE OF DATES, TIMES, AND LOCATIONS OF JUDGING CONTESTS. Request Exhibitor Letter 1.12m. In all judging contests, registration of all contestants will be completed prior to beginning the contest. Late registration will not be allowed. All judging contests will follow this rule.

2. All counties will be allowed up to three 10-member teams, one in the junior age division, one in the intermediate age division and one in the senior age division. While there is not a county qualifying requirement in 2024, all participants in all State 4-H Fair judging contests must be a part of their county allocation of no more than ten individuals in each age division. It is the responsibility of County Extension personnel to identify eligible participants. All participants will be considered eligible unless State 4-H Fair received notification from County Extension personnel. All participants in the Senior Equine Judging contest must be listed on WS4HF/1.07m in order to be allowed to participate in these contests.

3. Any participant who does not complete all classes of the contest, including reasons classes, will be disqualified. Junior participants will not participate in oral reasons.
4. County team scores will be determined by averaging the scores of all members completing the contest, provided there are at least three or more members from a county who complete the contest. If the county cannot enter a team of at least three members, one or two members from the county may judge as individuals.

5. Individual winners in state competition who are not part of a national judging team - for whatever reason, and who have not represented Washington State at the event in the past – will retain their national contest eligibility. They will be required to use their current score to qualify them for participation in the current year’s national contest.

6. In the event of a tied score in the Equine Judging Contest, see Section G – Equine Class 18 for tie breakers. In all other judging contests, the tie will be broken using the following criteria: a) the first tie breaker is the total oral reasons score; b) the second tie breaker is the score of the classes on which the oral reasons were given; c) the third tie breaker is a pre-determined knowledge question; d) if a tie remains after the fourth tie breaker, the last tie breaker is the flip of a coin.

7. State teams for national judging contests are not official until announced by WSU Extension personnel.

PHOTOGRAPHY AND VIDEOGRAPHY
Superintendent –

1. All entries in all classes must be pictures taken by the exhibitor during the current 4-H year.
2. If the county qualifying show allows smaller photography exhibit size than those required for the State 4-H Fair, blue ribbon placing photos may be enlarged following the qualifying show to meet the State 4-H Fair size requirements. Photos from qualifying shows conducted too close to Labor Day entry to be enlarged in time may be submitted (after enlargement) for late fair judging September 18, by noon.
3. Video photography project exhibits should be entered in Class 6, 4-H In Action.
4. Entries must be firmly mounted on matte board, not poster board nor foam core. Minimum mat margin is 1” on all sides and maximum mat margin is 2 ¼” on all sides.. Use dry mount tissue, photo glue, photo stickers, or other suitable substitute to attach. Poster board covering must cover the back of the photo. Framed entries and non-mounted entries will not be accepted. Small, flat hangers that are properly and securely attached to extend above edge of exhibit, are acceptable.
5. All entries must be printed on photographic paper. Entries printed on paper, cardstock, etc. will not be accepted.
6. Color enhancements and changes may not be made to the original photo unless it is entered in the digitally enhanced class.
7. Attach a completed WSU label C0890 to bottom of photo matte as instructed on the label. Please put your county name or number on the back of each exhibit – not on the back of the label or other attachment. Incomplete or missing label will result in loss of no more than one ribbon placing, at judge’s option.

1. Only one entry per exhibitor allowed in Class 330.
2. Entries are allowed in this class only if they do not fit into another class in the State 4-H Fair.
3. Juniors, intermediates, and seniors, enrolled in a Self-Determined Project: 1) Environmental Stewardship, 2) Expressive Arts, 3) Family Living, 4) Mechanical Science, 5) Plant Science, or 6) Social Science may enter this class. Exhibitors must submit a copy of the 4-H Project Plan/Commitment page from their record book as part of the exhibit. See Class 6 for Self-Determined Animal Science project.
4. This is a category of still life exhibits that is (1) the end product of advanced learning in 4-H project areas or (2) exploratory innovative projects that are not covered with the usual project material support. This class should reflect individual endeavor beyond the scope of typical project work. The exhibit may be the actual product of the project (e.g., rebuilt diesel engine - Mechanical Science exhibit), or may be a visual presentation of the work done (e.g., photos of steps in cleaning oil from waterfowl, and accompanying information - Environmental Stewardship.) Any posters prepared as part of this class will be judged.
5. Notebooks will not be accepted as the lone exhibit of the project. Notebooks may accompany the completed exhibit in order to document activities in the project. They should enhance the presentation of the exhibit - not be the primary exhibit. Notebooks are not judged as a part of the presentation.
6. All large entries must receive prior approval from the fair manager because of space limitations.

ANIMAL ELIGIBILITY

1. Each member may enter only two species of animals. **Fair management will not adjust show schedules to accommodate exhibitors showing multiple species.**
2. Fleece Goats (Angora and Cashmere) will show in the Goat section.
3. The exhibit animal may be entered in only one other class or lot, in addition to fitting and showmanship, for premiums.
4. All county allocations are for numbers of animals or numbers of pens - not numbers of exhibitors.
5. Animal Entries: (Class 400-999) - Entries will be limited to classes listed in this book. Each county is responsible for determining how their allocation is filled. Each county may only fill the designated allocation and then list remaining entries as alternates, who will be called if space is available.
6. The maximum number of animals per exhibitor age group at the State 4-H Fair are as follows:

*Please refer to equine department rules for specifics.

7. The State 4-H Fair recommends that all species be filled with one animal per exhibitor and then adding one animal per member until allocations are filled. This will allow the most possible number of youth participants in the fair.
8. The State 4-H Policies now allow shared project animals. The County Extension Office must notify the State 4-H Fair of any shared project animals that will be participating in the fair. Shared project animals will be dealt with on an individual basis.

GENERAL INFORMATION

1. Classes may be subdivided at the discretion of the judge or superintendent.
2. 4-H animal exhibits will be received and dismissed according to the Exhibits Due and Release Schedules.
3. When a county has several entries of the same type of animal, they will be stalled together. **Stall decorations and educational theme should be coordinated as a county display - not individual or club.** (Rabbits and Cavies are exhibited by breed.)
4. Decorative materials must be fireproof. Flammable material will not be allowed. (Greenery must be dipped or sprayed with a solution of 9 oz. borax and 4 oz. boric acid in one gallon of water.)
5. Ribbons or awards from other fairs will not be displayed.
6. Livestock educational displays are either (1) received when animals come in and released when animals leave or (2) may be turned in with other still life exhibits. In the latter case, educational displays will be stored in the 4-H Exhibit Building, and will be claimed by exhibitors at that location on the day of their livestock or equine entry. Clean-up crews will discard exhibits or displays left when animals are released.
7. Livestock exhibitors should notify their county Extension office or the State 4-H Fair manager immediately if they decide not to participate in the Fair. This will allow an opportunity for alternates to attend the Fair. A reduction in exhibit animals without notification to State 4-H Fair, after entry forms are sent, may result in lower allocations in the following year for the individual county.
8. Getting livestock efficiently unloaded on check-in day requires cooperation from all those bringing animals to the fair. Please follow instructions given by those in charge of the entry, quickly unload animals and tack, and remove vehicles from the area as soon as possible. More information is available in the exhibitor letters.
9. All animals must be available for use in State 4-H Fair judging contests. This includes obedience or type judging classes. Refusal by the exhibitor to provide an animal when requested by the show management without adequate reason will result in forfeit of all awards and premiums and continued participation in this year's show.
10. Portable clipping racks may be used in areas designated by 4-H management, **as space is available.**
11. All exhibitors who show animals must show their own animals in both fitting and showmanship and type (obedience) to receive premiums and awards. Any exceptions must obtain the permission of the 4-H fair manager in consultation with the department superintendent. In the case of shared project animals, the situation will be dealt with on an individual basis.

12. Exhibitor letters for members showing animals are available from county Extension offices or may be found on the State 4-H Fair web site. Letters contain specific details pertaining to vet checks, unloading, stalling, showing, schedules, herdsmanship, etc.

13. LIVESTOCK WILL NOT BE WALKED ONTO, ABOUT, OR OFF OF THE FAIRGROUNDS because of serious environmental concerns directly related to animal waste. Any animal (except dogs) that cannot be transported in a solid bottom carrier must be moved in a truck, trailer or similar conveyance.

14. The Washington State Fair will furnish hay, shavings (straw for sheep). The hay and straw storage shed will not be open to exhibitors. Please order hay and straw in writing from your superintendent before 6pm for the following morning’s feed and bedding requirements. Hay and straw bales should not be used for purposes other than feed and bedding. Bring appropriate equipment to handle bedding. All exhibitors except swine and rabbit exhibitors must furnish their own grain.

15. The 4-H exhibitor must perform herdsmanship, grooming, handling, and exercise of the project animal. This includes clipping and washing the animal. In cases where 4-H exhibitors are physically incapable of doing their own clipping or washing, only bona fide 4-H exhibitors may provide needed assistance. Violations of this rule creates loss of learning experience to the exhibitor and unfair competition to other members, particularly in the Fitting and Showmanship contest, and is cause for disqualification of entry. ONLY EXHIBITORS are allowed in stalls/pens.

16. In case of animal health care emergencies at any time, the 4-H show superintendent should be located. The 4-H superintendent will contact a veterinarian to provide animal health care. Veterinarians will charge for travel, service, and medications used. Exhibitors will be required to pay at the time of service. Vet charges will not be deducted from premium payments.

17. In all animal exhibits, medication can only be given with the approval of the department superintendent or the 4-H fair manager, except in an emergency situation or when administered by a veterinarian at the scene. It is not consistent with Washington State 4-H policy to administer any drug or medication that could affect the performance or disposition of the animal, resulting in an unfair advantage to the exhibitor or endangering the animal’s well-being.

18. All 4-H members who exhibit animal projects shall be responsible for the humane care and showmanship of their animal. Failure to comply may result in dismissal from the State 4-H Fair exhibit, and forfeiture of all premiums.

19. State 4-H Fair management reserves the right to dismiss any animal showing signs of lameness, unsoundness, or stress from further participation, upon recommendation of the fair veterinarian.

20. Arrangements must be made to have all livestock removed from barns and fairgrounds by 9pm on release day. Livestock and llama tack and show equipment should be removed the last day of their show, 6-9am, by driving vehicles onto the fairgrounds. Beginning at noon on last day of section, removal of tack and show equipment can be accomplished via WSF trams. The more equipment removed prior to 6pm, the more rapidly and pleasantly animal exit will go. Animals and stall decorations must remain in place until released. NO livestock or llamas will be walked out. Do not leave animals unattended in parking lots.

21. Rabbits and cavies must be removed from barn by 7 pm on release night; barn closes at that time. Do not leave animals unattended in parking lots.

**QUALITY ANIMAL CARE AGREEMENT**

This is an agreement, formal or implied, between 4-H participants and the management of this Fair. Its purpose is to:

- Encourage ethical decisions and activities by 4-H youth.
- Ensure the overall well-being of all 4-H animals exhibited.
- Ensure the use of commonly accepted practices in preparing and exhibiting animals for show.
- Maintain a safe and wholesome food supply.
- Maintain the intent and integrity of animal competitions and displays for future generations.

1. The purpose of my participation in the Washington 4-H Animal Sciences Program is to strengthen my own knowledge, ability, and skill as a feeder, manager, trainer, caregiver, and exhibitor of animals and to develop
my sense of responsibility and good character. If my project includes food production animals, my goal is to produce safe and wholesome food.

2. I will do my own project work to the best of my ability.

3. I will not use or allow abusive, fraudulent, or illegal practices or products to be used in the feeding, care, fitting, training, and showing of my animals.

4. I will not misrepresent my animals or myself in any way.

5. I will read, understand, and follow the rules, without exception, of animal shows in which I am a participant and ask that my parents and my 4-H leader do the same.

6. My animal project is an example of how to accept what life has to offer, both good and bad, and how to live with the outcome. I will treat other people’s animals with the same respect and care I give my own animals.

7. I realize that I am responsible for the proper care and safe, humane treatment of my animals. I realize that I am also responsible for demonstrating strong moral fiber and good character as an example to others.

8. I will voice any objections to events related to my participation by using the protest policy described in the premium book. I will not directly interfere with the judge, show management, or other exhibitors before, during, or after the event.

9. I accept that failure to uphold this commitment could result in forfeiture of my right to participate in the 4-H Animal Sciences Program.

ANIMAL HEALTH AND THE USE OF ILLEGAL SUBSTANCES

The use of illegal drugs and/or the improper use of animal health products or foreign substances will not be tolerated in the Washington State 4-H Youth Development Program. Extension personnel, 4-H volunteers, families, youth, and fair/show officials have a legal and moral obligation not to misuse these products. We have the responsibility to tell others not to use these substances, and to report those who do use any illegal substance.

The administration of any drug or medication, which could affect an animal’s performance resulting in an unfair advantage or the disposition of the animal, is unacceptable. Additionally, there are federal penalties for using illegal substances in animals that are going into the nation’s food supply.

HERDSMANCEHIP

1. Good care of your animal and assigned exhibiting space is an important part of the privilege and responsibility of exhibiting at this level in Washington 4-H. Because many more people see your animal in the barn than the show ring, exhibitors are expected to maintain barn, feeding, and grooming conditions that will ensure the good health and safety of the animals in their care, and will show consideration and sensitivity toward the public visiting the State 4-H Fair exhibit. Exhibitors are expected to be available to the fair visitor to discuss their 4-H exhibit or project. 4-H exhibitors are reminded that they are hosts/hostesses in their barn.

2. The public’s interest in animal welfare, and their opinion of the quality of care given to animals, has become a critical issue.

3. Exhibiting 4-H members are to perform their own herdsman chores. Herdsmanship done by non-exhibitors can result in forfeiture of all awards and premiums by the exhibitor involved. Exception: see following paragraph.

4. Livestock exhibitors must have their animals entered at the designated arrival times. Due to school attendance requirements of individual school districts, minimum maintenance may be provided by a non-exhibitor or other exhibitor, until the scheduled exhibitor meeting – on haul-in day only. Minimum maintenance does not include grooming, clipping, washing or trimming. It does include maintaining a fresh water supply, feeding as needed, bedding pen/stall area, decorating the area, and minimal maintenance of aisle ways. The superintendent has responsibility to determine appropriate assistance levels, and may correct situations that go beyond minimal attention by non-exhibitors. Herdsmanship will not be scored until the first evening.

5. Each superintendent will ask for volunteer adults to monitor the actions of fairgoers, oversee the humane care of animals, and provide support for 4-H exhibitors. These are not adult herdsmen. They will be assigned as deemed necessary by the superintendent and assistant manager, and will be given instructions. All show monitors will wear identifying tags.

6. It is the intent of the State 4-H Fair to recognize every exhibitor who maintains adequate standards, not to try to determine only a small group of “winners”. Herdsmanship should not be competitive; it is a responsibility that comes with the privilege of participating at the Washington State 4-H Fair, and demonstrates personal pride and county team support.
7. Barns and displays will be examined at least twice a day. The superintendent of rabbits/cavies will supervise individual rabbit/cavy herdsmen while on herdsmanship shifts. Failure to maintain adequate standards will result in loss of premiums.

8. NO COOKING IS ALLOWED IN THE BARN. For your own health, and to demonstrate to your fair visitor appropriate hygiene habits for when humans are in close proximity to farm animals, please do not cook, eat or drink while in the penning/stalling/public areas in livestock and equine barns. This applies to exhibitor and chaperone/parent, etc. and will be enforced by the Washington State Fair. Superintendents will share more information about this very serious issue during exhibitor orientation meetings. The Washington State Fair has set aside a good-sized area, screened from public view, in the south end of the dairy barn for exhibitors to use when eating.

9. In livestock, llama, cat, and dog herdsmanship evaluations, scores of 80 - 89 will earn red ribbons, while scores of 90 - 100 will earn blue ribbons. Scores lower than 80 will receive no ribbon placing, and will result in loss of 20 points in the total premiums earned by each member of the county team. One warning of inadequate herdsmanship will be given. A no-placing penalty will be assigned at the next herdsmanship examination if problems have not been corrected. Herdsmanship evaluation will be based on group performance, and all exhibitors within each county group will receive the same score. Each animal section will be scored separately. If a red ribbon placing (score of 80-89) is earned by a county/group, the result will be the loss of one stall/pen in the same section during the following year. If no ribbon placing (score of 80 or lower) is earned by a county/group, that county/group will not be invited back to the same section the following year.

10. Adults as well as exhibitors occupying the area behind the ropes in the dog benching barn are expected to set a good example of appropriate herdsmanship dress for 4-H youth and the fair visitor.

11. In rabbit/cavy herdsmanship, performance recognition will be earned individually. Unsatisfactory work will receive a no-placing mark and will result in loss of 20 points in the total premiums earned by the exhibitor. Red ribbons will be earned for good work during one shift; blue ribbons will be earned for good work during two or more shifts or for performance of additional tasks.

12. Herdsmanship hours will be scheduled by departments and regular hours will be maintained.

13. Exhibitors from counties with small numbers of entries are encouraged to combine herdsmanship schedules with other counties with small exhibit numbers.

14. State 4-H Fair officials will designate grooming areas.

FITTING & SHOWMANSHIP CONTESTS

1. In Fitting & Showmanship, the emphasis is on the knowledge and performance of the 4-H member. In type judging the emphasis is on the condition, conformation and characteristics of the animal. We are most concerned with personal development of the 4-H member. Therefore, all fitting & showmanship contests have the same premium points (blue-75, red-55, white-40) regardless of the type, size, training or value of the animal involved.

2. All exhibitors must complete a fitting and showmanship class in order to receive premiums and/or ribbons in their animal section. Fitting and showmanship classes are concluded with the selection of champion/reserve champion exhibitors. Exhibitors, if selected, may choose to not enter the championship contest but must make that decision prior to the start of the championship contest. Leaving the show ring after the contest has begun will result in loss of all premiums/ribbons for the exhibitor in that animal section.

3. All animals used for fitting and showmanship must also be entered in type (performance, games, obedience) competition in the 4-H show.

4. In order for fitting and showmanship premiums to be assigned, exhibitors must show their own livestock in type class except when given permission by the superintendent to substitute another exhibitor-handler. Example: when two or more livestock animals are being exhibited by the same exhibitor in the same show ring.

5. Fit/Show Class Attire: In general, clothing should be clean and in good shape (no holes, tears, or wrinkles). Hair should be neatly combed. Long hair needs to be pulled back so it does not cover your face. Take jewelry off, including rings, necklaces, dangling earrings, watches, and bracelets. Footwear should be
appropriate to the project. Potentially offensive statements on clothing will not be permitted. In general, the following items are not permitted: hats, cell phones and other electronic devices, and chewing gum. Accommodations may be accepted upon request. Adaptions for religious reasons will be permitted. Please notify Fair Management prior to the fair. A breakdown of project attire follows:

**DOGS**
- Girls: suits, dresses, skirts, pant or pant suits.
- Boys: suits, sports jacket, or casual slacks; dress shirt (sports or polo shirts, sweaters, or vests are recommended).

**CATS**
- Long sleeved shirt. Close toes and flat heeled shoes.

**RABBIT**
- White button-down, long sleeves shirt, dark pants (slacks or jeans). No shorts, sweaters, jackets, short sleeved shirts, shirts with club names or logos. All clothing should be clean and in good shape. Show coats are permitted as long as they do not have the member’s name, 4-H club, county, farm name, or logo of any type (4-H clover is permitted).

**CAVY**
- White button-down, long sleeves shirt, dark pants (slacks or jeans). No shorts, sweaters, jackets, short sleeved shirts, shirts with club names or logos. All clothing should be clean and in good shape. Show coats are permitted as long as they do not have the member’s name, 4-H club, county, farm name, or logo of any type (4-H clover is permitted).

**EQUINE**
- Please refer to Washington State 4-H Equine Rulebook.

**BEEF**
- Collared shirt, Jeans, Leather Boots (slip on or lace up), Belt.

**SHEEP**
- Collared shirt, Jeans or Hiking Shorts, Belt, Appropriate Footwear. Back pack required.

**SWINE**
- White collared shirt, buttoned at the neck (tie or pin optional). White pants, Belt – black, white, or brown. Close toed shoes. White skirt or dress will be permitted for religious reasons.

**MEAT GOAT**
- Light colored shirts or blouses, with a collar. Black or dark colored pants (dark brown or blue acceptable). Black or dark colored boots or shoes (tennis shoes not permitted). Belt required if pants have belt loops.

**FLEECE GOAT**
- Collared shirt, buttoned at the neck (tie or pin optional). White pants, Belt – black, white, or brown. Close toed shoes. White skirt or dress will be permitted for religious reasons.

**PYGMY GOAT**
- Collared shirt, buttoned at the neck (tie or pin optional). White pants, Belt – black, white, or brown. Close toed shoes. White skirt or dress will be permitted for religious reasons.

**PACK GOAT**
- Collared Shirt, Jeans or Hiking Shorts, Belt, Appropriate Footwear. Back pack required.

**DAIRY GOAT**
- White collared shirt, buttoned at the neck (tie or pin optional). White pants, Belt – black, white, or brown. Close toed shoes. White skirt or dress will be permitted for religious reasons.

**DAIRY CATTLE**
- White collared shirt, buttoned at the neck (tie or pin optional). White pants, Belt – black, white, or brown. Close toed shoes. White skirt or dress will be permitted for religious reasons.

6. Superintendents of each class will notify the judge of any exhibitor with disabilities so the judge can consider the nature of the disability when placing the contestant - at the exhibitor’s option.

**ACTIVITY DAYS**

1. Open to all animal exhibitors. No premiums awarded on any of the following or similar events.

2. **Round Robin Showmanship Contest** is not currently on the event schedule. If arena availability can be determined in advance and logistics can be worked out, the round robin may be held on Monday, Sept 16.

3. Exhibitors entering the Beautiful Animal Contest will provide their own costume. Will be held on Monday, Sept 16.

4. Cat exhibitors may participate in Cat Costume and Decorated Cage contests. Quiz bowl contests may be scheduled.

5. Sheep and llama exhibitors may participate the Lad and Ladies Lead. The date and time of this activity will be announced at the sheep exhibitor meeting.

6. **Circle of Champions** will feature the top animals in each beef and dairy breed. The exhibitor will prepare and give a short narration about the breed they are showing - it’s history and special features.

7. Other activities may be scheduled, dependent upon time and interest.

**VETERINARY RULES**

**GENERAL VETERINARY INFORMATION**

A health certificate is NOT required by the Washington State Fair. The health status of entries will be ascertained at the time of entry and will continue under the Animal Health Department’s surveillance while on the Fairgrounds. All entries must be free from visible evidence of infectious and contagious disease when presented and must remain so while on exhibit. The Fair veterinarian will be the final authority in determination of suitability for exhibition.

- **The fair veterinarian's professional decision as to the health status of an animal is final and will be upheld by the fair board.** Any animal refused by the veterinarian at check-in must be removed from the fair-
grounds and returned home immediately. There are no facilities to house animals that can’t be exhibited. Animals on exhibit at the Fair are the very best of their species and must present this image to the viewing public.

- Exhibitors should note and respect the potential for exposure to health-threatening conditions while at a fair. Crowding of animals, long distance hauling and changing environmental conditions are major stresses to which exhibit animals are subjected. Animals, like humans, have the capability to become recovered carriers of viruses or other infectious agents. Exhibition-imposed stress may cause a recrudescence or reactivation with resulting outbreaks of disease, as occurs with malaria in humans. The Fair management will do all in its power to protect each exhibit while on display.
- “4-H Animal Exhibitor Commitment to Quality Animal Care” statement has been added to this book. It has been adopted by the Washington State University Extension 4-H Youth Development Program, and will be enforced at the Washington State 4-H Fair. Its application is not restricted to food-source animals.
- The exhibitor has important responsibilities prior to fair time. These responsibilities should be implemented three weeks before entering the fair circuit. Vaccinations must be up to date and an effective parasite control program employed. State-of-the-art prophylactic care is strongly recommended for all animals to be exhibited.
- Animals not intended for exhibition will be denied entry to the fairgrounds.

**CATTLE:**
- A health certificate is not required by the Washington State Fair. Certification of health will take place at the fairgrounds when your animal arrives. A brucellosis test is not required by the Washington State Fair; however, if the animal were to be offered for sale, its salability will be restricted unless it has been officially vaccinated. Non-vaccinates may be sold only for slaughter.
- It is strongly recommended that prophylactic protection against IBR (infectious bovine rhinotracheitis), BVD (bovine virus diarrhea), PI3 (para influenza 3 virus) and leptospira (5 serotypes), clostridial diseases, (ie. blackleg and malignant edema), pasteurella, haemophilus and RSV (respiratory syncitial virus) be provided. Immunization must be completed a minimum of 3 weeks prior to exhibition in order to provide intended protection.

**LLAMAS/SWINE/RABBITS/CAVIES:**
- An inspection will be made at the fairgrounds when your animal arrives. Prophylactic measures should be considered. Please see General Veterinarian Information. Washington State Fair requires to have a swine ID per the Washingtons Department of Ag. If your swine doesn’t have a tag, they will be given a swine id tag at the State Fair. Specific guidelines for swine and the possible outbreak of PED will be included in the swine exhibitor letter. This letter will be available for download on the State 4-H Fair website: http://4h.wsu.edu/statefair.index.htm. It is important that each 4-H exhibitor review this letter prior to fair arrival.

**SHEEP/GOATS:**
- An inspection will take place at the fairgrounds when your animal arrives. Prophylactic measures should be considered. See General Veterinarian Information.
- The Washington State Fair requires all goats and sheep to have official USDA National Scrapie Eradication program-assigned flock identification available during vet check-in. This may include either a tag, tattoo or microchip (with reader provided by exhibitor). Veterinarians will not allow unmarked animals through vet check.
- Because of increased possibilities for Ovine Dermatophytosis (Ringworm) in sheep, the Washington State Fair's Animal Health Department will intensify its inspections and surveillance effort. Recommendations of the WSF to exhibitors:
  a. Inspect all sheep on your premises for evidence of infection
  b. Avoid sharing equipment with other exhibitors
  c. Avoid co-mingling animals during transport
  d. Keep washing and clipping to a minimum
- All sheep must exhibit appropriate tail docking practices. Appropriate docking practice is to remove the tail at the distal termination of the caudal tail fold. As a working guideline, WSU recommends that lambs be docked so that at the show the tail is long enough to be lifted. Docking should be performed within two weeks of birth for optimum animal health and the tail must be healed at the time of show check-in.

**EQUINE:**
- An inspection will take place at the fairgrounds when your animal arrives. Prophylactic measures should be considered. See General Veterinarian Information.
- The West Nile Virus is being diagnosed in some equine in Washington. While not requiring vaccine protection from this mosquito-borne illness, appropriate vaccine protection is encouraged by the WA State 4-H Fair.
Since incidents of equine monocytic-ehrlichiosis (Potomac horse fever - PHF), Rhinopneumonitis (Equine Herpes Virus, EHV-1) influenza and tetanus occur in Washington, vaccinal protection is recommended by the Washington State Fair.

**DOGS AND CATS:**
An inspection will take place at the fairgrounds when your animal arrives. Please see General Veterinarian Information.

4-H State Fair management wishes to emphasize the need for exhibitors to adopt a responsible program of proper health care of their animals. The increased need for prophylactic measures for animals being placed in close proximity to others must be recognized.

**All dogs,** regardless of origin, 3 months of age or over **must** show evidence of vaccination with an approved rabies vaccine as per label directions. **Exhibitors must present proof of vaccination by a licensed veterinarian, against rabies.** A rabies vaccination certificate (C1084E) is available from local county Extension offices, the WA State 4-H Fair Office, or on the 4-H website. It must be completed at the administering veterinarian’s office, and submitted for all dogs exhibited in the 4-H State Fair. No other document may be substituted. If rabies inoculation was given by a veterinarian who is no longer available (e.g. from a temporary clinic, etc.) the original receipt or veterinarian-generated document that includes (1) date of vaccination, (2) dog’s name or ID and age, (3) brand or type of vaccine, and (4) the veterinarian’s signature or clinic stamp should be stapled to the vaccination certificate (C1084E). The exhibitor should complete all information required on the vaccination certificate – except the lower portion that is reserved for clinic/veterinarian use. Dogs **should** be vaccinated against distemper, infectious hepatitis, leptospirosis, parainfluenza, parvo and corona viruses – at local veterinarian’s recommendation.

**All cats** must have been vaccinated against rabies with an approved vaccine within 12 months as per label directions. We will also recognize the 3-year vaccine as per the label instructions. **Exhibitors must present proof of current vaccination by a licensed veterinarian, against rabies.** A rabies vaccination certificate (C1084E) is available from local county Extension offices, the WA State 4-H Fair Office, or on the 4-H website. It must be completed at the administering veterinarian’s office, and submitted for all cats exhibited in the 4-H State Fair. No other document may be substituted. If rabies inoculation was given by a veterinarian who is no longer available (e.g. from a temporary clinic, etc.) the original receipt or veterinarian-generated document that includes (1) date of vaccination, (2) cat’s name or ID and age, (3) brand or type of vaccine, and (4) the veterinarian’s signature or clinic stamp should be stapled to the vaccination certificate (C1084E). The exhibitor should complete all information required on the inoculation certificate – except the lower portion that is reserved for clinic/veterinarian use. Cats **should** be vaccinated against feline panleukopenia, feline rhinotracheitis, calicii and leukemia viruses and chlamydia – at local veterinarian’s recommendation.

**COMPANION ANIMALS PROHIBITED:**
Animals and birds not intended for exhibition will be denied entry to the fairgrounds and asked to leave. Please leave your pet at home for its own protection, with the exception of properly identified Guide or Service dogs. They should be properly protected against infectious and communicable diseases as indicated for exhibit animals. However, if the presence of a Guide or Service dog would be disruptive, causing the display animal(s) to come agitated and or potentially aggressive, may be asked to leave the particular barn/location where those 4-H animals are being impacted (as defined as an exclusion to Guide or Service Dogs at a program provided to the public by the Department of Justice Americans with Disabilities Act (ADA)). “Service Dog In Training” is not considered a Guide or Service Dog as defined in RCW 49.60.040. A “Service Dog In Training” could be in violation of RCW 49.60.214 and not covered under ADA.

**RULES FOR QUALIFYING/ENTERING**
1. The obedience dog show and service puppy exhibition will be held together. Exhibitors may participate in either or both activities on the same day. Service puppies currently in training may be exhibited in obedience dog classes (showmanship and obedience) on the scheduled county dog show day. They will not be counted as part of the county quota. The obedience and showmanship score sheets will be used for all puppies/dogs in the county show schedule. Female dogs in season are allowed. When in season, females must wear doggy britches. The show superintendent must be notified if a female is in season at check in.
2. Junior members may enter only one dog in this show section except in Brace Class. Intermediate and senior members may enter two dogs in this show section if space is available in their county allocation.
3. All obedience dog show participants must enter Fitting and Showmanship, an obedience class and Herdsmanship.
4. At the State 4-H Fair, exhibitors with a given dog must advance to the next higher obedience class, or move to a class on the same tier; if they have received a blue ribbon score at the State 4-H Fair. When two blue ribbons with a given dog on the same tier are received, the member must advance to the next higher obedience class.
5. The dog must be entered in the most advanced class in which it earned a blue ribbon at the county level.
6. State 4-H Fair Qualification: Exhibitors may only qualify for the WA State 4-H Fair by competing at the county fair or the designated county qualifying event.
7. State Fair Qualification – Sub-Novice, Beginner-Novice, Pre-Novice, and Novice:
   a. Sub-Novice, Beginner-Novice, Pre-Novice and Novice exhibitors must qualify as part of the county quota.
b. Exhibitors receiving a red ribbon in both Fitting and Showmanship and Sub-Novice, Beginner-Novice, Pre-Novice or Novice are not eligible for State 4-H Fair competition.
c. Exhibitors receiving a white ribbon in either Fitting and Showmanship or Sub-Novice, Beginner-Novice, Pre-Novice or Novice are not eligible for State 4-H Fair competition.
d. Exhibitors receive blue ribbons in both Fitting and Showmanship and Obedience will be first to fill the county quota, followed in preference by: Blue in Fitting & Showmanship, Red in Obedience; and then a Red in Fitting and Showmanship, Blue in Obedience

9. State Fair Qualification – Exhibitors with two or more obedience dogs:

a. Exhibitor must receive either a blue or red ribbon in fitting and showmanship.
b. One of the exhibitor’s dogs must qualify for the State 4-H Fair in obedience (see rules 7 and 8).
c. The dog that qualifies in obedience must be the same dog entered for State 4-H Fair competition.
d. The dog must be entered in State 4-H Fair competition in the same class in which they qualified at the county level.
e. If both of the exhibitor’s dogs qualify for State 4-H Fair competition, the exhibitor must choose which dog(s) to enter. Intermediate and senior members may enter two dogs in this show section if space is available in their county allocation.

10. State Fair Qualification – Brace and Team:

a. Braces and Teams are considered a fun activity at the State 4-H Fair. All participants will receive participation ribbons only.
b. Exhibitors in Brace class must receive a blue ribbon in the brace class and the member must also have qualified to attend the State 4-H Fair either one of the dogs in individual classes.
c. Teams and braces will be judged on the day shown in regular classes. Teams and braces will be judged following the conclusion of the obedience premium classes. Due to the length of the daily show, the superintendent may choose to not conduct brace and/or team classes.

11. Baiting will be allowed in Fitting & Showing/Showmanship Class 451. Improper baiting in that class will be penalized. At no time will an exhibitor be allowed to bait their dog in an Obedience Class. Bringing bait into the show ring during an Obedience Class may result in forfeiture of all awards.

12. For current guidelines on all 4-H dog classes (fit/show, obedience, and agility), please obtain information from your County Extension office.

13. All rules and expectations for other 4-H animal exhibitors will be applicable to this section. Please refer to Animal Exhibits Information for more detail.
14. Anyone working or sitting behind the rope barricades in the benching area will be dressed appropriately for herdsmanship. Adults/non-exhibitors do not perform herdsmanship duties, but if in the working area must make an appropriate appearance to prevent reduction in herdsmanship scores of the county herdsmanship team. Adults/non-exhibitors are discouraged from loitering within the working/exhibit area.

15. Exhibiting your 4-H animal at the State 4-H Fair implies you will uphold the “Animal Project Exhibitor Commitment to Quality Animal Care” statement in this book. It applies to exhibitors of all species of animals. Please read that document prior to completing your entry forms.

16. Proof of a current rabies vaccination by a licensed veterinarian will be required for vet check. See Veterinary Rules in this book for rabies vaccination certificate requirements. Dogs must be free of fleas to be shown.

17. Barn rules and other information important to a successful experience at State 4-H Fair are available in the Obedience Dog Show Exhibitor Letter, Form 1.17m. The letter is available from the County Extension Office, or on the State 4-H Fair web page at http://4h.wsu.edu/statefair/index.htm.

18. Aggressive/Unsocial Dogs: Dogs that exhibit aggressive, and/or unsocial, and/or problem behavior that cannot be controlled by their handler, are a serious safety issue. Leaders and superintendents have the immediate authority to excuse or place restrictions on such dog’s participation in the State 4-H Fair. Leaders and Superintendents will inform 4-H staff members of their decision and the appropriate plan of action would follow. It is up to each county to decide what that action would be. Every effort should be made to see that the member is not excluded or excused. Alternative suggestions may be made to the 4-H member.

19. DOG EXHIBITOR DRESS CODE: 4-H dog project participants must dress tastefully and conservatively. Sandals may be worn with stockings. Bare feet and exposed midriffs are not allowed. All shirts must have at least three finger width straps at the shoulders. Mesh or see through (sheer) clothing is not allowed. Undergarments may not be exposed. Clothing that advertises alcohol, drugs, tobacco, gang affiliation, sexually explicit messages or obscenities will not be allowed. Skirt lengths will not exceed two inches above the top of the knee. All clothing and shoes must be clean and in good repair. 4-H participants may not participate in the State 4-H Fair unless they acknowledge and comply with the above dress code. If, in the opinion of the activity or event officials, a participant does not comply, the participant shall be given one opportunity to correct the problem. If participant fails to correct the problem, they will be asked to leave the activity or event and all awards and premiums shall be forfeited.

20. If an exhibitor has qualified for state fair (with one or more dogs) in both Obedience and Agility, the exhibitor must designate on their entry form which class will be their premium class by adding the word “premiums” after the class/lot description. The other class will be awarded ribbons only.

21. COMPANION ANIMALS PROHIBITED: Animals and birds not intended for exhibition will be denied entry to the fairgrounds. Please leave your pet at home for its own protection, with the exception of properly identified Guide or Service dogs. They should be properly protected against infectious and communicable diseases as indicated for exhibit animals. However, if the presence of a Guide or Service dog would be disruptive, causing the display animal(s) to come agitated and or potentially aggressive, may be asked to leave the particular barn/location where those 4-H animals are being impacted (as defined as an exclusion to Guide or Service Dogs at a program provided to the public by the Department of Justice Americans with Disabilities Act (ADA)). “Service Dog In Training” is not considered a Guide or Service Dog as defined in RCW 49.60.040. A “Service Dog In Training” could be in violation of RCW 49.60.214 and not covered under ADA.

### DOG AGILITY

**Superintendent – Julie Gorveatt**

1. All participants will be a part of their county allocation.
2. Each qualified exhibitor is allowed to enter up to two dogs with superintendent permission in the agility section.
3. The dog used in the agility class must have been entered in an obedience class at the county qualifying show.
4. If the exhibitor earned a blue ribbon in fitting and showmanship at the county qualifying event, the dog will qualify for the State Agility Trial by earning a blue ribbon or a red ribbon at the county qualifying agility trial.
5. If the exhibitor earned a red ribbon in fitting and showmanship at the county qualifying event, the dog will qualify for the State Agility Trial by earning a blue ribbon at the county qualifying agility trial.
6. If an exhibitor has qualified for state fair (with one or more dogs) in both Obedience and Agility, the exhibitor must designate on their entry form which class will be their premium class by writing the word “premiums” after the class/lot description. The other class will be awarded ribbons only.
7. If the exhibitor has qualified for state fair (with one or more dogs) in both Obedience and Agility, the exhibitor will participate in fitting and showmanship on their designated county day with their obedience dog. If the exhibitor does not complete a fitting and showmanship class at all, all premiums will be forfeited.
8. If the exhibitor has qualified only for Agility, the exhibitor will exhibit in fitting and showmanship on the same day as the Agility Trial prior to the trial being run.
9. A dog who is entered in a Standard Agility class at state fair must have qualified in the same class at the county qualifying show.
10. A dog who is entered in a Jumpers Agility class at state fair must have qualified in that same class at the county qualifying show.

Lot 1 – Junior          Lot 3 - Senior
Lot 2 – Intermediate

4-H Dog Skill-a-thon contest is to provide an opportunity for youth enrolled in 4-H to demonstrate knowledge and understanding of animal science and management related to dogs in a competitive setting. Youth are also given the opportunity to expand their knowledge about dogs and be recognized for their comprehension of the different aspects of care for dogs and how they can benefit society.

1) This is a contest in which individuals compete. There will be no team entries.
2) There is no limit to the number of individuals that each county may enter in this contest.
3) Statewide competition will be governed by the prescribed procedures and regulations. Additional rules may be added for specific purposes. Contestants not complying with the rules will be disqualified. Coaches and/or spectators not complying with the applicable procedures and regulations will be dismissed from the contest area. All challenges to the contest, including stations, official's decisions and results, must be submitted in writing to the State Fair 4-H Manager in the WA State Fair 4-H Office or Superintendent at the county fair within 24 hours of the contest.
4) Each participating county is requested to provide contest helpers as follows:
   a. An adult to help score the contest,
   b. An adult to serve as a station monitor or group leader.

**Contest Phases:**
1. **Quiz Phase** of the contest may include questions from the Washington State 4-H Dog Showmanship Questions Study Guide.
   1. Juniors - 10 questions
   2. Intermediates - 20 questions
   3. Seniors – 30 questions

2. **Stations Phase** of the contest will consist of a series of stations or tables where contestants will respond to the requirements of the station. Stations can be the same or different among age groups (i.e. Juniors can do some of the intermediate stations, etc.) but age level should be taken into consideration.
   1. Juniors - 3 stations,
   2. Intermediates - 6 stations
   3. Seniors - 9 stations

Examples of stations which may be used include, but are not limited to:
   a. Breed Identification (must be recognized by AKC by January 1\textsuperscript{st} of the current year (miscellaneous and foundation stock are not to be included))

RABBITS & CAVIES
Show Coordinator – Ashleigh Stouffer
**RABBIT-CAVY DUE/RELEASE**

All animals must be vet checked before housing. If your animal doesn't pass vet check, you will need to take it home immediately. There are no facilities to hold rejected animals.

Your exhibit must be maintained until release time. You are encouraged to remove excess tack and equipment early on release day. It is suggested that you carry your carrying crate out to the side of the street rather than driving onto the fairgrounds. All animals are to be removed by 7:00 p.m. on release day.

Fri, Sept 13     IN: Rabbits, Cavies, 6-9 am
Mon, Sept 15    OUT: Rabbits, Cavies, 6-7 pm

1. All exhibitors are responsible for feeding and cleaning cages of animals they have entered in the Fair each day.
2. Each exhibitor may enter a maximum of five rabbits or five cavies.
3. The American Rabbit Breeders Association publication, “Standards of Perfection” will be used as the official reference for evaluating rabbits/cavies. Rabbits and Cavies are to exhibit an ARBA approved tattoo.
4. Animals entered in Classes 434 and 478 will be judged on care, condition, and health.
5. All exhibitors must enter fitting & showmanship with an animal also entered in type.
6. Exhibitors must have qualified their animal at a county qualifying meet.
7. Rabbits or cavies may be rejected because of insects or disease.
8. State 4-H Fair will not be responsible to house or care for rabbits or cavies brought in to the fair prior to 6 a.m. on check-in day, or for rabbits or cavies that are not accepted during the vet check.
9. All rabbits on exhibit must have a permanent ear number for identification purposes and this number must be recorded on the entry card.
10. All rabbits and cavies are to be shown by breed with the exception of Classes 522, 591, and 592. PLEASE SPECIFY VARIETY/ COLOR ON ENTRY FORM FOR BOTH RABBITS AND CAVIES.
11. No exhibit of doe/litter or milking doe will be allowed because of security and health concerns.
12. All rules and expectations for other 4-H animal exhibitors will be applicable to this section. Please refer to Animal Exhibits Information, for more detail. Request Exhibitor Letter 1.19m; important new information about animal care will be located there.
13. Exhibiting your 4-H animal at the State 4-H Fair implies you will uphold the “Animal Project Exhibitor Commitment to Quality Animal Care” statement in this book. It applies to exhibitors of all species of animals. Please read that document prior to completing your entry forms.

SHEEP
Superintendent – Christy Mastin

SHEEP SHOW SCHEDULE
Sunday, September 15 – 2 p.m. – TOWN & COUNTRY 2 ARENA
Fit/Show, followed by Type Classes

1. For fit/show attire, please refer to the general small animal and livestock rules. Request Exhibitor Letter 1.20m.
2. Read Veterinary Rules in this book. Very important information is located there concerning (1) requirements for registering all sheep and goats in the USDA National Scrapie Eradication program and (2) appropriate tail docking practices and time line for implementation.
3. All sheep may stay blanketed until all of their classes are completed on that day.
4. Class list may not be show order.
5. All wool and down wethers will be presented in full fleece. They will be judged on fleece characteristics. All breeds in each lot will be shown together.
6. Please refer to WSU 4-H State Policy and Procedure Publication section 8.7 for regulations on horned sheep. Animals will not be exchanged in fit/show classes if there are horned animals in the class.
7. Juniors may exhibit three animals in this section/department, while intermediates and seniors may exhibit four animals.
8. All rules and expectations for other 4-H animal exhibitors will be applicable to this section. Please refer to Animal Exhibits Information for more detail.
9. Exhibiting your 4-H animal at the State 4-H Fair implies you will uphold the “Animal Project Exhibitor Commitment to Quality Animal Care” statement in this book. It applies to exhibitors of all species of animals. Please read that document prior to completing your entry forms.
10. Lads and Ladies Lead will be held on Friday, September 15 at 7 p.m. in the Sheep Barn Arena. Participants will be required to complete an entry form at the time of the contest to be eligible for 4-H in Action premium points. The superintendent will have a sign-up sheet in her office during the fair.

BEEF
Superintendent – Anthony Fay

BEEF SHOW SCHEDULE
Saturday, September 14 – 3:00 p.m. – AgriPlex Arena
Fit/Show, followed by Type Classes

1. All stalled animals must be double tied. Animals will be led with a control halter or show halter while on the fairgrounds.
2. For fit/show attire, please refer to the general small animal and livestock rules.
3. Use of tail ties is the exhibitor’s option. Good care of your animal suggests that tail ties should be used carefully and removed promptly.
4. Horn protectors, sufficient in size and structure, must be used for breeds that are shown with horns as a part of the breed’s characteristics.
5. County beef groups will be responsible to limit clipping chutes to one per three head of cattle. Fair management will designate size and location of grooming areas.
6. Juniors may exhibit two animals in this class, while intermediates may exhibit three animals, and seniors may exhibit four animals. For exhibit numbers and allocations, a cow/calf pair being shown as a pair and not in individual classes will count as one animal.
7. All rules and expectations for other 4-H animal exhibitors will be applicable to this section. Please refer to Animal Exhibits Information for more detail. Request Exhibitor Letter 1.20m
8. Exhibiting your 4-H animal at the State 4-H Fair implies you will uphold the “Animal Project Exhibitor Commitment to Quality Animal Care” statement in this book. It applies to exhibitors of all species of animals. Please read that document prior to completing your entry forms.

**DAIRY**  
Julie Mowbray – Superintendent

### DAIRY SHOW SCHEDULE  
Sunday, September 15 – 10 am – AgriPlex Arena  
Fit/Show, followed by Type Classes

**ELIGIBILITY TO PARTICIPATE**  
1. A local county extension agent must approve all entries. The county agent should sign the 4-H dairy certificate prior to use of the animal as a show exhibit. Without this signature, the State 4-H Fair Dairy Superintendent will investigate the exhibitor’s ownership and right to exhibit. The 4-H Dairy Certificate must be available at the time of vet check.  
2. Each exhibitor will be required to make positive identification of project animals. The dairy certificate will also establish that the animal has been the responsibility of the exhibitor for the current 4-H year. If identification
cannot be verified with the certificate, the exhibit may be eliminated from the show, and premium money may be forfeited – at the discretion of the superintendent in consultation with the livestock assistant manager.

3. No dairy cattle with horns will be permitted to exhibit except those in the Junior Heifer Calf Class. Horns, as defined for all other age classes, shall include “scurs”, “nubbins” or “stubs” which extend beyond the skin.

4. All stalled animals must be double tied, and led with a tie rope or show halter lead strap while on the fairgrounds.

5. All Dairy exhibitors must abide by the Milking Parlor rules.

6. Juniors may exhibit two animals in this class, while intermediates may exhibit three animals, and seniors may exhibit four animals.

7. All rules and expectations for other 4-H animal exhibitors will be applicable to this section. Please refer to Animal Exhibits Information for more detail. Request Exhibitor Letter 1.20m.

8. Exhibiting your 4-H animal at the State 4-H Fair implies you will uphold the "Animal Project Exhibitor Commitment to Quality Animal Care" statement in this book. It applies to exhibitors of all species of animals. Please read that document prior to completing your entry forms.

MILKING PARLOR PROCEDURES
Milking facilities at the Fair are Grade A and State inspected. Milk will be checked for antibiotics at the Fair and at the processing plant. A violation of the P.M.O. (pasteurized milk ordinance) will result in forfeiture of all premiums. Any exhibitor causing such violation will be prohibited from future exhibition at the Fair. The parlor is maintained during the Fair to provide a safe, convenient and orderly solution to the milking requirements and to afford the visitor an opportunity to see how milk is produced. Every effort is being made to present the dairy business at its best. In a variety of ways we are telling the dairy industry story. Please assist us in this endeavor by your full cooperation with milking schedules and by presenting your animals in such a manner as to produce the best possible public appearance.

Please note: Because of the high costs for hauling combined with the low price paid for the milk picked up at the Fair, you will not be compensated individually for your milk. Instead, what money is received for the milk will be divided between the three youth programs: 4-H, FFA and Junior Poultry.

Washington State Fair will furnish dairy feed. Please use it fairly without waste. It is your responsibility to sanitize your utensils before use. Facilities for this process are provided.

1. One llama/alpaca used by the exhibitor must be the animal with which the exhibitor qualified in both Fitting and Showing/Showmanship and performance classes at county. Due to space restriction, safety concerns, and animal well-being issues, only intact males over 6 months and under 24 months of age, females over 6 months, and gelded males may be shown at the State 4-H Fair.
2. All rules and expectations for other 4-H animal exhibitors will be applicable to this section. Please refer to Animal Exhibits Information for more detail. Request Exhibitor Letter 1.21m.
3. Only approved, appropriate llama/alpaca tack will be allowed. A halter must remain on animals at all times, in case of emergency. A list of required tack and clothing is available in the exhibitor letter 1.21m from the county Extension office or on the State 4-H Fair website.
4. Only 4-H logos and county 4-H identification will be displayed - advertising for farms or breeders is not permitted on show tack, clothing or educational material. Ribbons or other awards received in other shows will not be exhibited.
5. Exhibitors are responsible to provide their own herdsmanship and animal care equipment and supplies. The Washington State Fair will provide hay for llamas and alpacas - exhibitors will need to bring their own supply if feeding other supplements.
6. Exhibitors must enter Fitting and Showing/Showmanship and one performance class for premium points. Participation in other performance classes will be for ribbons only. Exhibitors are required to enter Fitting and Showing/Showmanship and Trail Obstacle classes, even if Trail Obstacle Class is chosen as a ribbon only class.
7. In all classes, show-ring lots will be organized by exhibitor’s 4-H age group.
8. Clean, safe, and appropriate attire should be worn by exhibitors while in the barn. Sandals are not appropriate footwear at any time when handling animals.
9. Juniors may exhibit one animal in this class, while intermediates and seniors may exhibit two animals.
10. Exhibiting your 4-H animal at the State 4-H Fair implies you will uphold the “Animal Project Exhibitor Commitment to Quality Animal Care” statement in this book. It applies to exhibitors of all species of animals. Please read that document prior to completing your entry forms.

1. NPGA Showmanship Score Card will be the guide for fitting and showing pygmy goats. For fit/show attire for all types of goats, please refer to the general small animal and livestock rules.
2. Read Veterinary Rules in this book. Very important information is located there concerning requirements for registering all sheep and goats in the USDA National Scrapie Eradication Program.
3. All goats in market and fit/show classes must be polled or dehorned.
4. May be shown with nylon or leather collar, or neck chain.
5. Goats may not be cross entered into different type of goat classes. Each goat is entered in one fit/show class and a “type” class within the same type goat. The goat must be entered into the same class as it qualified in at the county level.
6. The fleece goat section will include Pygora and Nigora goats and Cashmere/Angora goats.
7. All rules and expectations for other 4-H animal exhibitors will be applicable to this section. Please refer to Animal Exhibits Information for more detail. Request Exhibitor Letter 1.20m.
8. Exhibiting your 4-H animal at the State 4-H Fair implies you will uphold the “Animal Project Exhibitor Commitment to Quality Animal Care” statement in this book. It applies to exhibitors of all species of animals. Please read that document prior to completing your entry forms.
9. Because of stall and space limitations, counties should closely monitor pen allocation. All types of goats from a county may be mixed together for stalling assignments. All animals, tack, feed, etc. must be stored within the number of assigned pens.

EQUINE DUE/RELEASE

No equine will be admitted to barns until vet checked. If your animal doesn’t pass vet check, you will need to take it home immediately. There are no facilities to hold rejected animals. Equine should arrive so vet check can be completed and animals stalled during the hours given below for each section. No vets are scheduled after check-in time.

All equine and tack must be out of the barns, and stalls completely cleaned immediately following barn release announcement, to allow time to prepare the barns for the next section. Animals and tack must be removed immediately when released. You are encouraged to remove excess tack and equipment early on release day; you can drive onto the fairgrounds until 8:45 am for this purpose. All decorations must remain in place until you are released.

EQUINE CONCUSSION PROTOCOL
A 4-H member who is suspected of sustaining a concussion or head injury during 4-H shows, activities, and events shall be removed from the event at that time. Any 4-H member who has been removed from an event as a result of a suspected head injury may not return to participation until the member is evaluated by a licensed health care provider trained in evaluation and management of concussions and received written clearance to return to participation. (RCW 28A.600.190)

This concussion protocol statement is directly from the current year WSU 4-H Policy and Procedure Handbook. The policy is in effect for the State 4-H Fair and will be followed.

ANIMAL ELIGIBILITY
1. Each member may enter only two species of animals. **Fair management will not adjust show schedules to accommodate exhibitors showing multiple species. Members may participate in multiple equine sections with qualified horse(s).**

2. The exhibit animal must be entered in at least one other class or lot, in addition to fitting and showing and herdsmanship to be eligible for premiums.

3. All county allocations are for numbers of stalls. Horses do not share stalls.

4. Equine Entries: (Class 900-999) - Entries will be limited to classes listed in this book. Exhibitors and equine must qualify for their county quota at the county level. Participants shall be selected in this order:
   1) Blue in Fitting & Showmanship, Blue in Performance, Western Games, Driving, and/or Small Equine In-Hand.
   2) Blue in Fitting & Showmanship, Red in Performance, Western Games, Driving, and/or Small Equine In-Hand.
   3) Red in Fitting & Showmanship, Blue in Performance, Western Games, Driving, and/or Small Equine In-Hand.
   4) Red in Fitting & Showmanship with Red in Performance, Western Games, Driving, and/or Small Equine In-Hand does not qualify for State. White ribbons do not qualify for State.

---If an exhibitor received a blue ribbon at the county level in fit/show, they may enter any Performance, Western Games, Driving, and/or Small Equine In-Hand classes in which they received a blue or red ribbon at the county level.

---If an exhibitor received a red ribbon at the county level in fit/show, they may only enter Performance, Western Games, Driving, and/or Small Equine In-Hand classes in which they received a blue ribbon at the county level.

---Exhibitors may not enter any Performance, Western Games, Driving, and/or Small Equine In-Hand classes at the State 4-H Fair if they received a white ribbon or a no placing/disqualification in that class at the county level.

**Within the county quota allocation, the county may establish additional criteria for determining their delegation so long as the State 4-H Fair Policy is followed.**

5. The equine used at State 4-H Fair must be the same animal with which the exhibitor qualified in Fitting and Showmanship, as well as in riding, driving, or in hand classes (etc.) at county qualifying show. If an exhibitor participates with multiple equine at the State 4-H Fair, each animal must have qualified in Fitting and Showmanship, as well as in the riding, driving, or in hand classes at the county qualifying show. Exhibitors are limited to one animal per gaming section. Exhibitors may qualify two different horses in the performance/dressage or harness section, if their county allocation allows. Please see the rules in that section of the guide. Exhibitors are limited to one animal per gaming.

6. The State 4-H Policies allow shared project animals. The County Extension Office must notify the State 4-H Fair of any shared project animals that will be participating in the fair. Shared project animals will be dealt with on an individual basis.

**GENERAL INFORMATION**

1. Classes may be subdivided at the discretion of the judge or superintendent.

2. 4-H animal exhibits will be received and dismissed according to the Exhibits Due and Release Schedules.

3. When a county has several entries of the same type of animal, they will be stalled together. Stall decorations and educational theme should be coordinated as a county display - not individual or club.

4. Decorative materials must be fireproof. Flammable material will not be allowed. (Greeneries must be dipped or sprayed with a solution of 9 oz. borax and 4 oz. boric acid in one gallon of water.)

5. Ribbons or awards from other fairs will not be displayed.

6. Equine educational displays are either (1) received when animals come in and released when animals leave or (2) may be turned in with other still life exhibits. In the latter case, educational displays will be stored in the 4-H Exhibit Building, and will be claimed by exhibitors at that location on the day of their equine entry. Clean-up crews will discard exhibits or displays left after the animals are released.

7. Equine exhibitors should notify their county Extension office or the State 4-H Fair manager immediately if they decide not to participate in the Fair. This will allow an opportunity for alternates to
attend the Fair. A reduction in exhibit animals without notification to State 4-H Fair, after entry forms are sent, may result in lower allocations in the following year for the individual county.

8. Getting animals efficiently unloaded on check-in day requires cooperation from all those bringing animals to the fair. Please follow instructions given by those in charge of the entry, quickly unload animals and tack, and remove vehicles from the area as soon as possible. More information is available in Equine exhibitor letters.

9. All animals must be available for use in State 4-H Fair judging contests and the Equine Groom Squad contest. This includes performance or type judging classes. Refusal by the exhibitor to provide an animal when requested by the show management without adequate reason will result in forfeit of all awards and premiums and continued participation in this year’s show.

10. Only exhibitors who show animals must show their own animals in both fitting and showmanship and type (equitation, games, dressage, driving, and in-hand) to receive premiums and awards. Any exceptions must obtain the permission of the department superintendent. In the case of shared project animals, the situation will be dealt with on an individual basis.

11. Exhibitor letters for members showing animals are available from county Extension offices or may be found on the State 4-H Fair web site. Letters contain specific details pertaining to vet checks, unloading, stalling, showing, schedules, herdsmanship, etc.

12. The Washington State Fair will furnish hay and shavings. Local grass hay only will be available from the fair. If you must have alfalfa or any other type of hay, you will need to provide it yourself. Storage space is not available on the fairgrounds for your personal hay supply. The hay and straw storage shed will not be open to exhibitors. Hay and straw bales should not be used for purposes other than feed and bedding. Bring appropriate equipment to handle bedding. All exhibitors must furnish their own grain.

13. The 4-H exhibitor must perform herdsmanship, grooming, handling, and exercise of the project animal. This includes clipping and washing the animal. In cases where 4-H exhibitors are physically incapable of doing their own clipping or washing, only bona fide 4-H exhibitors may provide needed assistance. Violations of this rule creates loss of learning experience to the exhibitor and unfair competition to other members, particularly in the Fitting and Showmanship contest, and is cause for disqualification of entry. ONLY EXHIBITORS are allowed in stalls.

14. In case of animal health care emergencies at any time, the 4-H show superintendent should be located. The 4-H superintendent will contact a veterinarian to provide animal health care. Veterinarians will charge for travel, service, and medications used. Exhibitors will be required to pay at the time of service. Vet charges will not be deducted from premium payments.

15. In all animal exhibits, medication can only be given with the approval of the department superintendent or appropriate asst. manager, except in an emergency situation or when administered by a veterinarian at the scene. It is not consistent with Washington State 4-H policy to administer any drug or medication that could affect the performance or disposition of the animal, resulting in an unfair advantage to the exhibitor or endangering the animal’s well being.

16. All 4-H members who exhibit animal projects shall be responsible for the humane care and showmanship of their animal. Failure to comply may result in dismissal from the State 4-H Fair exhibit, and forfeiture of all premiums.

17. State 4-H Fair management reserves the right to dismiss any animal showing signs of lameness, unsoundness, or stress from further participation, upon recommendation of the fair veterinarian.

18. Equine must leave when dismissed; tack and extra show equipment may be removed early on exit day. Animals and stall decor must remain in place until release. Do not leave animals unattended in parking lots. This includes leaving them unattended in the trailer.

19. Policy on riders coming off of their horse in situations where there is NOT a suspected concussion or head injury: When a riders comes off of their horse the first time, the parent/legal guardian must sign a waiver to ride in further classes. The waiver form will be available in the horse barn office. If medical attention is required, medical staff must sign the waiver allowing the rider to ride in further classes. If a rider comes off of their horse a second time, the rider will be excused from riding further classes at this year’s fair. If there is a suspected concussion or head injury, the 4-H State Policy on concussion protocol will be followed and takes priority.

QUALITY ANIMAL CARE AGREEMENT
This is an agreement, formal or implied, between 4-H participants and the management of this Fair. Its purpose is to:

- Encourage ethical decisions and activities by 4-H youth.
- Ensure the overall well-being of all 4-H animals exhibited.
- Ensure the use of commonly accepted practices in preparing and exhibiting animals for show.
- Maintain a safe and wholesome food supply.
- Maintain the intent and integrity of animal competitions and displays for future generations.

1. The purpose of my participation in the Washington 4-H Animal Sciences Program is to strengthen my own knowledge, ability, and skill as a feeder, manager, trainer, caregiver, and exhibitor of animals and to develop my sense of responsibility and good character. If my project includes food production animals, my goal is to produce safe and wholesome food.

2. I will do my own project work to the best of my ability.

3. I will not use or allow abusive, fraudulent, or illegal practices or products to be used in the feeding, care, fitting, training, and showing of my animals.

4. I will not misrepresent my animals or myself in any way.

5. I will read, understand, and follow the rules, without exception, of animal shows in which I am a participant and ask that my parents and my 4-H leader do the same.

6. My animal project is an example of how to accept what life has to offer, both good and bad, and how to live with the outcome. I will treat other people’s animals with the same respect and care I give my own animals.

7. I realize that I am responsible for the proper care and safe, humane treatment of my animals. I realize that I am also responsible for demonstrating strong moral fiber and good character to others.

8. I will voice any objections to events related to my participation by using the protest policy described in the premium book. I will not directly interfere with the judge, show management, or other exhibitors before, during, or after the event.

9. I accept that failure to uphold this commitment could result in forfeiture of my right to participate in the 4-H Animal Sciences Program.

ANIMAL HEALTH AND THE USE OF ILLEGAL SUBSTANCES

The use of illegal drugs and/or the improper use of animal health products or foreign substances will not be tolerated in the Washington State 4-H Youth Development Program. Extension personnel, 4-H volunteers, families, youth, and fair/show officials have a legal and moral obligation not to misuse these products. We have the responsibility to tell others not to use these substances, and to report those who do use any illegal substance.

The administration of any drug or medication, which could affect an animal’s performance resulting in an unfair advantage or the disposition of the animal, is unacceptable. Additionally, there are federal penalties for using illegal substances in animals that are going into the nation’s food supply.

HERDSMANKSHIP

1. Good care of your animal and assigned exhibiting space is an important part of the privilege and responsibility of exhibiting at this level in Washington 4-H. Because many more people see your animal in the barn than the show ring, exhibitors are expected to maintain barn, feeding, and grooming conditions that will insure the good health and safety of the animals in their care, and will show consideration and sensitivity toward the public visiting the State 4-H Fair exhibit. Exhibitors are expected to be available to the fair visitor to discuss their 4-H exhibit or project. 4-H exhibitors are reminded that they are hosts/hostesses in their barn.

2. The public’s interest in animal welfare, and their opinion of the quality of care given to animals, has become a critical issue.

3. Exhibiting 4-H members are to perform their own herdsman chores. Herdsmanship done by non-exhibitors can result in forfeiture of all awards and premiums by the exhibitor involved. Exception: see following paragraph.

4. Herdsmanship will not be scored until the first morning.

5. Each superintendent will ask for volunteer adults to monitor the actions of fairgoers, oversee the humane care of animals, and provide support for 4-H exhibitors. These are not adult herdsmen. They will
be assigned as deemed necessary by the superintendent and assistant manager, and will be given instructions. All show monitors will wear identifying tags.

6. It is the intent of the State 4-H Fair to recognize every exhibitor who maintains adequate standards, not to try to determine only a small group of "winners". Herdsmanship should not be competitive; it is a responsibility that comes with the privilege of participating at the Washington State 4-H Fair, and demonstrates personal pride and county team support.

7. NO COOKING IS ALLOWED IN THE BARNS. For your own health, and to demonstrate to your fair visitor appropriate hygiene habits for when humans are in close proximity to farm animals, please do not cook, eat or drink while in the penning/stalling/public areas in livestock and equine barns. This applies to exhibitor and chaperone/parent, etc. and will be enforced by the Washington State Fair.

8. In equine herdsmanship evaluations, scores of 80 - 89 will earn red ribbons, while 90 - 100 will earn blue ribbons. Scores lower than 80 will receive no ribbon placing, and will result in loss of 20 points in the total premiums earned by each member of the county team. One warning of inadequate herdsmanship will be given. A no-placing penalty will be assigned at the next herdsmanship examination if problems have not been corrected. Herdsmanship evaluation will be based on group performance, and all exhibitors within each county group will receive the same score. Each animal section will be scored separately. If a red ribbon placing (score of 80-89) is earned by a county/group, the result will be the loss of one stall/pen in the same section during the following year. If no ribbon placing (score of 80 or lower) is earned by a county/group, that county/group will not be invited back to the same section the following year.

9. Herdsmanship hours will be scheduled and regular hours will be maintained.

10. Exhibitors from counties with small numbers of entries are encouraged to combine herdsmanship schedules with other counties with small exhibit numbers.

11. State 4-H Fair officials will designate grooming areas.

**FITTING & SHOWMANSHIP CONTESTS**

1. In Fitting and Showmanship, the emphasis is on the knowledge and performance of the 4-H member. In type judging the emphasis is on the condition, conformation and characteristics of the animal. We are most concerned with personal development of the 4-H member. Therefore, all fitting & showmanship contests have the same premium points (blue-75, red-55, white-40) regardless of the type, size, training or value of the animal involved.

2. All exhibitors must complete a fitting and showmanship class in order to receive premiums and/or ribbons in their animal section. Fitting and showmanship classes are concluded with the selection of champion/reserve champion exhibitors. Exhibitors, if selected, may choose to not enter the championship contest but must make that decision prior to the start of the championship contest. Leaving the show ring after the contest has begun will result in loss of all premiums/ribbons for the exhibitor in that animal section.

3. All animals used for fitting and showmanship must also be entered in type (performance, games, harness, dressage, in-hand) competition in the 4-H show.
   a. Equine exhibitors are required to show their own animal in fitting and showmanship as well as their riding, driving, in-hand class. (Equine exhibitors must participate in a minimum of one performance event to qualify for any show premiums.) Permission for equine exhibitors to be excused from the performance requirement (due to illness or other emergency) must be obtained from the designated show official in order for fitting and showmanship premiums to be retained.

4. See appropriate animals portion of the premium list for class and lot numbers.

5. Fitting and showmanship reference for State Fair will be Washington State 4-H Equine Rule Book. This document is located online at the Washington 4-H website under Equine.

6. Superintendents of each class will notify the judge of any exhibitor with disabilities so the judge can consider the nature of the disability when placing the contestant - at the exhibitor’s option.

**EXHIBITORS IN MULTIPLE EQUINE SECTIONS**

1. Each county is responsible to manage the selection of State 4-H Fair equine participants, within the rules prescribed in the Exhibitor Guide. Participants in multiple equine sections must fill out separate entry forms for each section.

2. All equine at the State 4-H Fair must have qualified in Fitting and Showmanship, along with a riding, driving, in-hand class at the county qualifying show.
3. Exhibitors must enter fitting and showmanship in each section they participate in at the State 4-H Fair. Premiums will be paid for only one fit/show class at the State 4-H Fair. Participants in multiple sections must designate, in advance, which fit/show class is their premium class. If the designation is not made, the first fit/show class will be the premium class.

4. Premiums will be paid to exhibitors on one riding class in performance, one in dressage, one in western games, one in harness, and one in small equine, if appropriate.

**GENERAL VETERINARY INFORMATION**

A health certificate is NOT required by the Washington State Fair. The health status of entries will be ascertained at the time of entry and will continue under the Animal Health Department's surveillance while on the Fairgrounds. All entries must be free from visible evidence of infectious and contagious disease when presented and must remain so while on exhibit. The Fair veterinarian will be the final authority in determination of suitability for exhibition.

Any animal refused by the veterinarian at check-in must be removed from the fairgrounds and returned home immediately. There are no facilities to house animals that can’t be exhibited. Animals on exhibit at the Fair are the very best of their species and must present this image to the viewing public.

Exhibitors should note and respect the potential for exposure to health-threatening conditions while at a fair. Crowding of animals, long distance hauling and changing environmental conditions are major stresses to which exhibit animals are subjected. Animals, like humans, have the capability to become recovered carriers of viruses or other infectious agents. Exhibition-imposed stress may cause a recrudescence or reactivation with resulting outbreaks of disease, as occurs with malaria in humans. The Fair management will do all in its power to protect each exhibit while on display.

“4-H Animal Exhibitor Commitment to Quality Animal Care” statement has been added to this book. It has been adopted by the Washington State University Extension 4-H Youth Development Program, and will be enforced at the Washington State 4-H Fair. Its application is not restricted to food-source animals.

The exhibitor has important responsibilities prior to fair time. These responsibilities should be implemented three weeks before entering the fair circuit. Vaccinations must be up to date and an effective parasite control program employed. State-of-the-art prophylactic care is strongly recommended for all animals to be exhibited.

Animals not intended for exhibition will be denied entry to the fairgrounds.

**EQUINE:** An inspection will take place at the fairgrounds when your animal arrives. Prophylactic measures should be considered. See General Veterinarian Information.

The West Nile Virus is being diagnosed in some equine in Washington. While not requiring vaccine protection from this mosquito-borne illness, appropriate vaccine protection is encouraged by the WA State 4-H Fair.

Since incidents of equine monocytic-ehrlichiosis (Potomac horse fever - PHF), Rhinopneumonitis (Equine Herpes Virus, EHV-1) influenza and tetanus occur in Washington, vaccinal protection is recommended by the Washington State Fair.

**COMPANION ANIMALS PROHIBITED:** Animals and birds not intended for exhibition will be denied entry to the fairgrounds. Please leave your pet at home for its own protection, with the exception of properly identified service animals. They should be properly protected against infectious and communicable diseases as indicated for exhibit animals.

**EQUINE GENERAL INFORMATION**

1. State 4-H Fair equine department participation is limited to Intermediate and Senior 4-H members.
2. County quotas will be established yearly and all exhibitors must be a part of the county quota.
3. A 4-H member may participate in multiple State 4-H Fair equine show sections each year.
4. Stallions are prohibited in all classes.
5. Barn and show rules and other information important for a successful experience are available in the Equine Exhibitor Letter 1.14m. It is available from the County Extension Office or on the State 4-H website at [http://4h.wsu.edu/statefair/index.htm](http://4h.wsu.edu/statefair/index.htm)
6. No mares with foals are allowed in the show.

7. Champions will be named in all classes in all sections, unless a class must be cancelled due to available arena time. Champion and placing rosettes are only awarded where warranted to blue ribbon participants.

8. The equine used by the exhibitor must be the equine on which the exhibitor qualified in both Fitting and Showmanship and Equitation, Games, Dressage in-hand or Harness at county. If a question of project equine identity arises, it will be the 4-H leader’s responsibility to provide verification that the proper equine is being exhibited.

9. All participants will wear a contestant identification number provided by the Fair. Numbers must be clearly visible at all times when in competition. Participants may laminate their number if desired, but no other modifications may be made to them (trimming, coloring, etc.). Numbers will be worn on the contestant’s back or on the side of the pads, either pinned or in harnesses specifically designed for this purpose.

10. Because of safety and liability concerns, and to reduce opportunities for coaching (not appropriate), foot traffic in the paddock areas will be limited to exhibitors called for the next show lot, and identified show officials. The paddock areas are defined as the (1) area beginning at the southeast corner of the draft horse barn, and extending to the arena fencing. It is bounded on the southeast by the fence and exit road, and on the northwest by the fence and grassed area, and (2) arena south of barns. Disregard of this restriction will result in premium/ribbon loss by exhibitors related to, supervised by, and/or conversing with the unauthorized person.

11. If unexpected events reduce the amount of arena time available to conduct the entire section’s show, the last scheduled class(es) will be eliminated from the section’s schedule.

12. In the case of disparity in county/state safety regulations, the more restrictive rules will apply. If a county has safety-related rules for their exhibitors that are more restrictive than State 4-H Fair rules, county rules will take precedence with their 4-H exhibitors at State 4-H Fair. If a county’s rules are less restrictive than State 4-H Fair rules, State Fair rules will take precedence for that county’s exhibitors. State 4-H Fair management will enforce State 4-H Fair rules - county chaperones will be responsible to enforce more restrictive county rules.

13. State 4-H Fair management reserves the right to dismiss any animal showing signs of lameness, unsoundness, or stress, from further participation upon consultation with the official fair veterinarian. If your animal has a suspicious or irregular way of going, a signed statement from your local veterinarian would be helpful in correctly ascertaining condition of the animal.

14. All Washington 4-H youth participating in all equine projects and activities must wear ASTM/SEI approved headgear when mounted or driving. The headgear must have a chin strap and be properly fitted.

15. All rules and expectations for other 4-H animal exhibitors will be applicable to this section. See the front portion of this book, Animal Exhibits Information, for more detail.

16. Exhibiting your 4-H animal at the State 4-H Fair implies you will uphold the “Animal Project Exhibitor Commitment to Quality Animal Care” statement in this book. It applies to exhibitors of all species of animals. Please read that document prior to completing your entry forms.

17. Because of safety and liability concerns, photographers will not be allowed onto the floor of the arena during any class.

18. Tail extensions are considered to be “equipment”. If the tail extension becomes loose, it will be considered an equipment failure and the exhibitor will be dismissed from the arena.

19. **State 4-H Fair Equine Dress Code**: We will be following the dress code as printed in the Washington State Equine rule book, with the exception that chaps are not allowed in any class.

20. **If an exhibitor received a white ribbon placing in a class at the county qualifying show, the member is not eligible to enter that same class at the State 4-H Fair.**

21. Exhibitors are responsible for cleaning stalls, including washing stall walls, if needed. Cleaning stalls and/or taking down of decorations may not take place until the designated barn closure time for that section. Violations will result in the forfeiture of premiums.

**EQUINE ACTIVITIES**
CLASS 8 – GROOM SQUAD
Superintendents – Dawn Bauer
Premium Points: Blue 15, Red 11, White 8
Lot 1 – Groom Squad Senior Team

EVENT DATE: Saturday, September 7 with test at 2 p.m. – check in at the Paulhamus Meeting Room .... contest at 4:30 p.m. in the Paulhamus Horse Arena.

1. This contest is open to one team of seniors from each county. The team will be composed of three county 4-H equine members selected in any manner deemed appropriate at the county level.
2. Members of the county groom squad may participate in this event without being entered in any other classes at the State 4-H Fair.
3. A separate green entry form (CO944) must be filled out at the time of registration for each squad member. **Do not fill the entry form out prior to the event.**
4. Groom squad horses will be selected by fair management from senior performance horses on exhibit. Information, "Washington State 4-H Groom Squad Rules", is available from County Extension Offices and on the State 4-H website. Because of the unique situation, the event conducted at the State 4-H Fair may not duplicate the county qualifying event.
5. Champion and Reserve Champion Rosettes will be awarded to the members of the top two teams, provided a blue ribbon placing has been earned.

CLASS 18 – EQUINE JUDGING CONTEST
Superintendent – Pat Pehling
Premium Points: Blue 30, Red 23, White 17
Lot 1 – Juniors
Lot 2 – Intermediates
Lot 3 – Seniors

EVENT DATE: Saturday, September 7....registration begins at 8 am in the Pierce County Arena.

1. Please refer to all general judging contest rules and National Judging Contest rules found in the General Activities and Contests section of the premium book.
2. Each county may enter up to ten juniors, ten intermediates and ten seniors in the equine judging contest. All participants must have received a blue or red ribbon placing at the county qualifying event.
3. All equine judging contestants are to register at 8 a.m. on the morning of the contest, in the Paulhamus Horse Arena. One adult should accompany each county team during registration (one for the intermediate team and one for the senior team). Each junior should have an adult with them to assist in registering.
4. Participants will judge six classes: two halter classes (any breed or type), one pleasure class (western, hunter, or other than hunter type), one equitation class (stock seat, saddle seat, or hunt seat), plus two other classes. Intermediates and seniors will judge the same classes.
5. Rules covering classes are in WA State Equine Rule Book, USA Equestrian Rules, and AQHA Rules.
6. Horses will not be handled by the contestants, but time will be provided in halter classes for close inspection and observe the horses at a walk and a trot.
7. Fifteen minutes will be allowed for contestants to judge non-reasons classes, 17 minutes for a reasons class. This is to allow contestants time to make observations, take notes, and fill out their placing cards.
8. One class of oral reasons will be required for intermediates and two classes of oral reasons will be required for seniors. Written reasons will not be a part of the contest. Oral reasons will be scored using the WA 4-H Oral Reasons Score Card, C0737 or C0739. Intermediates may use notes when giving oral reasons; excessive reference to notes will be severely penalized. Seniors may not use notes when giving oral reasons. Juniors will not give oral reasons.
9. Only contestants and contest officials will be allowed in the contest arena; portions of the bleachers will also be restricted to contestants only.
10. All horses using in judging classes will be considered sound of limb, eye, wind, and mouth. All tack and attire used in riding classes will be considered correct.
11. No printed study material is allowed in the contest area. Clipboards and blank note paper are allowed.

12. In the event of a tied score, the following criteria will be used:

   **Senior Tie Breakers:**
   1 - Total of Oral Reasons Scores
   2 - Total of Oral Reasons Classes Placing Scores
   3 - Total of Halter Classes Scores

   **Intermediate Tie Breakers:**
   1 - Oral Reasons Score
   2 - Oral Reasons Class Placing Score
   3 - Total of Halter Classes Scores

   **Junior Tie Breakers:**
   1 - Halter Class score for class used for Senior and Intermediate Oral Reasons
   2 - Riding Class Score for class used for Senior Oral Reasons
   3 - Total of Halter Classes Scores

13. The top four age eligible senior winners will be identified to represent Washington State 4-H and compete at the Eastern 4-H Equine Roundup in Louisville, KY in November. Only the registration fee is covered by WSU 4-H. No other expenses are covered by WSU 4-H.

14. Winners will be announced at the conclusion of the horse judging contest with the intent of gathering information for the national horse judging contest (see above).

4-H Shooting Sports: Archery
Superintendent: Dave Fong
Co-Superintendents: Robert Fry & Veronica Fry
wa.4harcheryfair@gmail.com

Register at http://washington-state-4H.fairentry.com

The Archery Events will be held over Labor Day Weekend
Participants, Parents, and Coaches/Leaders are obligated to read and follow all rules and regulations in this premium book as well as the Shooting Sports Policy and Procedures. Any participant or adult displaying unacceptable conduct (i.e. unsafe handling of archery equipment, profane language, abusive treatment, poor sportsmanship) may be dismissed and jeopardize awards and ability to participate at State Fair.

Participation:
1. 4-H Membership - All competitors must be current 4-H members, officially enrolled in the Archery Project overseen by a certified 4-H Archery Instructor.
2. Each Club must provide a WSU 4-H Certified Archery Instructor. Exceptions must be approved by Fair Management and the Archery Superintendents.
3. Participants must bring their own bow or club/county bow, arm guard, finger tabs (if necessary), and quiver (hip or ground only) to hold your arrows.
4. Participants and Coaches must participate in set-up & tear down of the range in order to qualify for premium points. This is part of the stewardship/herdsmanship for archery.
   a. Participants are encouraged to submit a Still Life Entry pertaining to Archery.
5. Age Divisions & Requirements - 4-H Shooting Sports is open to 4-H Members who have passed their 8th birthday but may not have reached their 19th birthday as of October 1st of the current program year.
   a. Age divisions shall be Junior (8-10), Intermediate (11-13), and Senior (14-18).
   b. In recognizing the discipline(s) physical demands and to ensure safety, age-appropriate modifications for Junior’s will be made and listed in the event description section.
6. Shooting Requirement - Due to the safety of the participants and the public, participants must be able to shoot 30 arrows at 20 yards for Intermediates & Seniors and 10 yards for Juniors on a 40 cm FITA 10-ring target and score a minimum of 60 Barebow or Recurve, 90 Olympic Recurve Freestyle, or 120 Compound. Please see bow descriptions for clarification of category.
   a. Participants should be knowledgeable and proficient in safe use of the equipment, and knowledgeable of the general rules events/and or games. Range Masters/ Superintendents may dismiss or disqualify any participant if he/she believes the participant does not demonstrate the basic proficiency and knowledge required.
7. Dress Code: Participants and spectators are required to dress appropriately and by 4-H standards. Contestants must wear fully enclosed shoes for safety reasons.
8. Archery Event Official Entry -Participants must be approved on the official entry form by their respective County Superintendent and/or coach if County Fair Archery Competition hasn’t occurred. The selection of participants is at the discretion of the local county Archery Fair Superintendent.
   a. Participants must have coaches’ approval and the coach must email the Archery
Superintendent no later than August 1st on the intent of shooting in order to ensure that we have enough targets and line coaches. (Contingent on above shooting score requirement and county qualifications, we understand that some counties may not have their fair by then, this is so that we can prepare for the correct amount of targets and line coaches)

9. Reasonable Accommodation - To request a disability-related accommodation to participate, contact the Superintendent before completing the registration process and prior to the registration deadline. The event staff will make every reasonable effort to accommodate that individual so they can compete. Any accommodation made shall not create an unfair competitive advantage or jeopardize range safety.

a. Any adaptive equipment related to a reasonable accommodations request will be presented along with the required documentation at the time of check-in, equipment check. With the exception of the approved adaptations, all remaining equipment must comply with the standards set forth for all other participants and are subject to the same Equipment Safety Checks.

10. Equipment Check - All equipment must be checked prior to the start of the official competition. Equipment certification will start during the check-in period, and stickers will be attached to verify that equipment was checked in and passed the inspection. Only authorized range officers and event staff may verify check-ins on the range. Spot checks of equipment may take place on the ranges prior to or after any match.

a. Competitors whose equipment does not meet the event standards will be given an opportunity to adjust or fix equipment to bring it into compliance prior to a second check.

b. Equipment failing to meet specifications during on range spot checks will result in disqualifications.

c. All arrows brought to the Archery Check-In table must be stored in a quiver or a storage container. Hip quivers or ground quivers are required on the firing line. No back quivers or quivers attached to the bow are allowed.

11. Disqualification/Ejection: All youth, parents, coaches, and volunteers are expected to abide by the provisions set forth within these rules. Depending on the severity of a rule violation (including but not limited to behavior or safety) one verbal warning may be issued. If the offense happens again, the individual(s) will be disqualified without completing the contest, any existing scores forfeited, and may be removed from the event area.

a. Failure to abide by Archery Safety Rules laid out in the Archery Curriculum Book, and the Shooting Sports Record Book will result in immediate disqualification and archers may be removed from the line from the Superintendents. Absolutely no sky or ground drawing will be allowed. As well as dry-firing from participants or coaches. This is grounds for immediate disqualification.

Range Protocols:
Range Safety Protocols will be strictly and vigorously enforced and 4-H NGB (National Governing Body) Rules Apply

1. The range will be under the exclusive control of the Head Range Officer and the appointed Range Safety Officers. They will accompany the registered participant to the shooting line in competition. Their primary responsibility will be to assure that safety rules are always followed. The range officers may physically assist the shooters between relays and during the sight-in period; they may also verbally assist on the shooters during the firing time.

2. For multiple reasons, control of access to the range and surrounding area is essential. Please respect these boundaries and the directions of the Range Officers and Superintendents.

3. Safety - Safety is the first priority for event competition, Range Officers, Participants, Coaches,
and Spectators. Standard and accepted range and shooting safety rules will be observed at all times. Superintendents and Range Officers may caution, warn, or eject any person on the range for unsafe behavior. Failure to safely control archery equipment (including but not limited to sky drawing, ground drawing, twirling around arrows) are grounds for immediate removal. Such removals may result in forfeited scores, disqualifications, or removal from the event area.

a. No arrow twirling or handling of arrows in an unsafe way. Every attempt should be made by the archer to keep the arrow pointed toward the ground of the target at all times. A warning will be given on the first instance. Second instance will require removal of the archer from the event.

b. When going down range all bows must be grounded or on a bow rack/table. Bows are not allowed down range.

c. If any participant in any way, whether in person, or by representative interferes with range officials or shows disrespect to them, to other participants, or the competitions they are subject to be penalized.

4. Participants shall be present at the range and ready to go at least 30 minutes prior to the scheduled time. Late participants may not be rescheduled at the discretion of the Head Range Officer and Superintendents.

5. Participants: Once the event has started participants must remain at the wait line and not go past the coaches line for any reason.

a. Bows must remain on a bow rack, bow stand, or table provided when not in use. No bows may cross the firing line for any reason.
   i. Equipment should not cross the waiting line unless Range Officer Approval once the equipment has been through Safety Inspection.

b. If a participant should experience an equipment failure, they must notify the nearest range official to get their approval to work with the coach to repair the equipment. They are given 15 minutes to make the necessary repairs. (Please see participant letter for more information)

   c. Once an archer begins a shooting course, he or she must finish with his or her group. Any archer or group that leaves a range without the authorization of a range official will not be allowed to continue.

6. Scoring: The double scoring system will be used. All participants will be involved in score keeping. All reported scores are checked for accuracy and corrections will be made when required by The Superintendents.

   a. If there is a question or concern when scoring archers may raise their hand and a Range Officer or Line Coach will be able to assist them.

   b. Coaches, Parents, or Observers should never have possession of scorecards.

7. Cell Phones/Electronic Devices - No Cell Phones, Radios, or other electronic communication devices may be used by competitors or others on or in the immediate vicinity of competitive range during active competition. Except for emergency situations

   a. Essential communication may take place off the range where the process will not interfere with participants or compromise safe operation of the range.

   b. No Flash Photography is permitted as it is a distraction to the archers. Only event photographers will be permitted on the range.

8. Coaches: Each club must provide a 4-H Certified Instructor “Coach” for their Discipline. Only one designated Head Coach for each team will be allowed to accompany the team and will remain behind the shooting area at a distance as designated by the range officer and will not be allowed to contact the shooters during any of the firing periods. The designated coach is the only one permitted to discuss procedures, ask questions, or advocate for the participants with Superintendents.

   a. Coaches area will be set up behind the competitor ready line. Coaches will remain behind that line once preparation time ends, unless called to the firing line by a Range Officer.

   b. Once record shooting begins, no coaching is permitted.

   c. Coaches may not initiate contact with their Participants during the ends.

   d. Coaches may not create a disturbance, upset participants or others, create unnecessary
delays, interfere with the safe and efficient operation of the range and execution of the event.
e. If equipment failure occurs the coach may assist their Participant with the approval of the Range Officer.
f. No coaches may touch any equipment once it has been placed on the range. Especially that of other clubs. If a safety concern arises, please get the attention of a Range Safety Officer or Superintendent.

9. Spectators: All spectators must remain off the range and at a distance in the designated spectator area clearly marked, this allows us to keep the Participants, Range Officers, Spectators safe. Parents, Leaders, and other individuals should remain positive and supportive, being careful not to disrupt or exhibit behaviors deemed distracting to participants or the operation of the match. Sanctions ranging from warning to ejection from the event area or disqualifications of contestants may be imposed for interference with the operation of the event or disruptions of the events on a shooting line or range.
   a. Please make sure to follow and abide by the spectator rules outlined in the Spectator area and in this section.
   b. Any spectator contributing to unsafe behavior or rules violations may be asked to leave the event area and not be allowed back.
   c. There will be no coaching or communication with Participants on the line during the event. In the event of an emergency please contact the Head Coach or Superintendent/Range Officers.
   d. No Flash Photography as this causes a distraction to the Participants and can cause a safety risk.

10. Superintendents & Head Range Officer: Are responsible for conducting any and all aspects of the event pertaining to the “shooting”. Including but not limited to: squading, scoring, posting of scores, determination of ribbons, and rule interpretation.

Allowed Equipment/Equipment Definitions: Maximum poundage less than 60 lbs as Hay Bales are the Target Butts. All equipment must be compliant with NGB rules
