### **Photos Needed for 4-H Equine Rule Book**

The Washington State 4-H Equine Rule Book Sub-Committee is working on updating the Washington 4-H Equine Program Rule book for the new 4-H year. We would like to encourage 4-H members and parents to submit photos to replace the AI-generated images that are in the current rule book. All photos submitted would need to be appropriate for the 4-H program, meaning riders would need to be wearing appropriate footwear and helmets (if mounted). Any youth shown in the photo would need to have given their permission for the photo to be used, as well as have a signed media release on file with their county. If you have a great photo that you would like to share, please email them to R-A Mazzola ([r.mazzola@wsu.edu](mailto:r.mazzola@wsu.edu)) with your name, the full name of any members pictured and the county they are from. Please keep in mind that submitting photos does not guarantee we will be able to use them in the next edition of the Rule Book.
