Re: Mandatory Health Records

Attached you will find your Dairy Heifer Health Record. Please add a copy to your 4-H record books, which are available through your 4-H leader or from the 4-H office. All 4-H Dairy Heifer Project members will be required to complete and turn in a copy of the Dairy Health Record upon arrival at the Fairgrounds. Without these sheets, you will not be able to stall or pen your project animal. You may also find this information at <http://ext100.wsu.edu/ferry/4-h-youth-families/fair/>

You will have to have one copy for your home records (producer), and one copy goes into the Fair office records.

If you have any questions, please contact our office at (509) 775-5225, X1116, Monday – Friday, 8 AM – 4 PM.
