Interns have been added to client contact with questions list.

Please remember all questions and answers must be given to *Tonia*. Answer the client's questions, within 48 hours, then fill out the clinic report form, which will be turned in the end of each month. The state requires this for reporting purposes and to be covered by L&I. Clinics and event forms need to be filled out monthly. If no information, please email that you have no information so the volunteer does not have to follow up with each person individually. Looking for a volunteer to collect and input the monthly information into a simple state form each month.
