

4-H Tractor Driving Contest

Events

- Daily Inspection and Starting Tractor
- Operation of Tractor

Regulations and Scoring

Tractor selection – Available tractors will be provided by the Fair.

Practice periods – It is desirable that a period preceding the contest be provided at which time instructions on correct and safe operation of the particular make of tractor(s) and the contestant may acquire the “feel” of the tractor. Each contestant may make one practice run of the driving course.

Safety – Participants will operate tractors in a safe manner and at safe speeds at all times. At the discretion of the judge(s), unsafe operator may be disqualified. For minor infractions, the judge will raise his hand, indicating that a driving penalty time addition added for a safety infraction. The use of road gear prohibited. By keeping a tight driving course, speeding discouraged.

Judges Note: Make sure all cars and spectators are a long distance away from the course.
