Subject: 4-H Fruit & Vegetable and Flower Garden Site

For onsite judging you will need to review the attached information. You can utilize your garden fruits & vegetables as they mature but keep a garden map to show the judge where plants were, along with any pictures you may have. During your garden site judging, the judge will ask you questions regarding your 4-H garden project materials.

Your garden has been registered for the Ferry County Fair. The garden site judge will call you soon to set up a date and time for judging your garden.

If you have any questions regarding any of these pre-fair competitions, contact your local WSU Extension office, Ferry County at (509) 775-5225, x1116 or Colville Reservation at (509) 634-2304.

Thank you,
4-H Staff
