- Newly *active members enrolling after March 1 need to pay their dues immediately upon enrollment using one of the above alternatives (“How to pay your dues, #1 through #3)

Helpful hints

- If you have more than one child enrolled in 4-H, you may pay for one youth at a time over a series of months
- You may make a *tax deductible* donation to the Ferry County 4-H Leaders' Council to support the Dues Assistance Program for other 4-H families and children

***Actively enrolled** means the 4-H member is enrolled in 4-H Online and dues (enrollment fees) have been paid
