

Northeast Washington is home to black bears and a small but growing population of grizzly bears. Before you head out on your next adventure, make sure you're...

Bear Aware

Join Defenders of Wildlife, WDFW, & WSU County Extension to learn how to safely and respectfully recreate in bear country.

The training will cover:

- bear biology & identification
- setting up camp in bear country
- hiking & hunting tips
- use of bear spray
- bear spray first aid
- other tips
- tools you can use at home to reduce conflicts with bears.

You will also witness bear spray deployed from a bear snout view. A limited number of free bear spray cannisters, courtesy of Defenders of Wildlife, will be available for participants to pick up at a local Extension Office.

Three online presentations will be presented. All three presentations will have the same content. *Please only choose one to register for.* The presentations will be via Zoom, and will be interactive. Questions are encouraged. There will be a strict limit on 40 participants per session. Registration is **REQUIRED!**

Note: After registering, you will receive a confirmation email containing information about joining the meeting.
