Required Records for Market Livestock Projects

Market Livestock project records are due on August 12, the same day as record books and educational posters. These project records are required for all youth exhibitors participating in the Market Stock sale (includes beef, swine, lamb, goat, poultry and rabbit market projects). The Klickitat County 4-H Market livestock forms were revised last fall. Members will also need the Quality Assurance form for the particular species (beef, swine, lamb or goat) in addition to the new project record forms.

All market records are reviewed on August 12 for completeness. The Quality Assurance form is the most commonly overlooked form that needs to be completed accurately. Vaccines, medicated feeds, withdrawal times and dates all need to be noted. The Quality Assurance form is a key part of documenting treatment and health care that the project animal received while under the management of the youth producer. Even if you gave no medications, include this form with your records and indicate on the form that none were given. Do not leave it blank.

Keeping records is just one of many life skills that youth learn through project work in 4-H. Whether they are working with an animal project or gardening, sewing, creative arts or photography (just to name a few), keeping accurate records is important to get a clear picture of what was done, what income or expenses there were and what new skills and knowledge were acquired. For youth raising market animals, the importance of good recordkeeping is absolutely necessary to help ensure a safe and wholesome food supply.

Forms are available at the Extension office or on the 4-H Records and Forms page at <http://klickitat.wsu.edu/4-h-recordkeeping/> .

The events listed below will take place on Tuesday, August 12 at the Klickitat County Fairgrounds. This is a deadline date for turning in 4-H Record Books, 4-H market livestock project records and 4-H Educational Displays/Posters. The 4-H Leaders' Council Meeting will take place at noon. This is also Fairgrounds Clean-up Day. Please read below for more details about these events.

4-H Leaders' Council Meeting

The August 4-H Leaders' Council meeting will take place at noon on August 12 at the 4-H Room. This will be an abbreviated session to cover any updated information for fair and other announcements.

Poultry/Rabbit Pre-show/Weigh-in, August 12, 4-6pm

This year marks the first year of having a pre-show/weigh-in for Market Poultry and Market Rabbits. It will be Tuesday, August 12, 2014 at the Klickitat County Fairgrounds from 4pm to 6pm. Pre-show entry forms should be filled out ahead of time and brought to the weigh-in. These forms are available at the Extension office and online at <http://klickitat.wsu.edu/4-h-recordkeeping/> . Members showing market poultry or rabbits at the fair must also turn in project records on August 12 between noon and 7pm.

For the Poultry or Rabbit project, 4-H members should have been properly enrolled by July 8, 2014 (enrollment form completed and turned into the Extension with 4-H insurance fee).

Fairgrounds Clean-up Day

Clean-up Day at the fairgrounds is when 4-H clubs and members can show their community pride by helping put the finishing touches on preparing our Klickitat County fairgrounds for its 2014 season. Here are just a few of the tasks that need to be completed:

Flowers need to be planted on the grounds. In the past, we have had some donated plants but more are needed, if clubs would like to bring some. Flowers should be suitable for our hot weather. Suggested tools needed: trowels, shovels, watering cans, water hoses, kneeling pad, gloves, a small rake.

Pick up rocks in the horse warm-up arena. Suggested tools needed: sturdy, closed shoes (not sandals or flip-flops), bucket, gloves. Use a small bucket to collect rocks and put in designated area. This is an ongoing task for this area.

Come to the 4-H Room/Exhibit Hall between noon and 5pm to check-in and get started. Tasks can be started after the Leaders' Council meeting has concluded. Call Lisa Harness at 509-773-5817 for more details.

Celebrate National 4-H Week, October 5-11, 2014

Start planning how your club can celebrate National 4-H Week, October 5-11, 2014. This would be a great opportunity for clubs and individuals to share with their community about the 4-H program. Send letters of appreciation to those people who have helped make your 4-H experience great or have donated support to your club. You could also celebrate the successes that your group has achieved in a club meeting doing 4-H work.
