FOCUS ON THE ESSENTIALS: BELONGING

“Fitting in is about assessing a situation and becoming who you need to be to be accepted. Belonging, on the other hand, doesn’t require us to change who we are; it requires us to be who we are.” – Brené Brown
Our challenge to you this month is to think about your 4-H Club or Group: Do you require others to become like you or to be who they are? The beauty of everyone being who they are is that you learn more, hear more ideas, and experience more of the world. We celebrate the uniqueness of each of our participants!
