FOCUS ON THE ESSENTIALS: GENEROSITY

4-H Members make an impact on their communities every day when they show small acts of Generosity to each other and the people around them. August is Random Acts of Kindness month in Klickitat County. If you catch a 4-H Member participating snap a picture and let us brag on them. We know how amazing our youth are and want to share that!

Join the Washington State 4-H Teen Equity and Inclusion Task Force

The Washington State 4-H Teen Equity and Inclusion Taskforce is a new statewide leadership opportunity to help promote equity in 4-H. We currently have 10 active youth members and are looking for more. We meet electronically and connect with youth around the state online through SLACK. We are also planning some in person meetings and events. Our primary focus right now is LGBTQ+ equity and inclusion.

Some of the projects we are currently working on include planning a workshop for state leaders forum and organizing a one day symposium on how to support diversity and inclusion in 4-H. We also have a delegation of youth attending the Ohio Diversity Dialogue in October. We have so much we are working to accomplish and we would love your help. We are open and excited about new ideas to make 4-H more equitable and would love your input!

If you are interested, applications are out on the WSU teen opportunities page and you can also email us at wa4hteenequity@gmail.com for more information on what we're working on and our goals for the future!

WHAT IS A SUPER POSTER?

- GRABS YOUR ATTENTION
- CONSIDER ADDING A BORDER
- HAVE CONSISTENT STYLING
- INCLUDE ESSENTIAL INFORMATION ONLY
- PAY ATTENTION TO DETAIL

- Grabs Your Attention. Visuals should be interesting, colorful, and creative. Their appearance should draw you to read them not make it difficult to read.
- Consider adding a Border. A border will "lift" your visual off a drab wall. Borders can be actual lines or open margins. Your poster should have at least a one inch border on all sides.
- Have Consistent Lettering. Select a lettering style that is easy to read (must be able to read at least 10 feet away).
- Height should be consistent within a word (unless for a special effect).
- Include Essential Information. Keep basic information direct and to the point. A reader should be able to get all the information as they walk past.
- Pay Attention to Detail. Check and double check spelling. Erase any pencil lines you've used as guides. Keep your poster clean and neat.
- Uses the 4-H Name and Emblem Correctly (4-H, not 4H, or 4h). Include the **18 USC 707** if possible.
