The Goldendale Sentinel Wants to Hear from You

Once a month they'll be a "4-H Column" featuring a local 4-H Club or Event going on in Klickitat County. Rather than the 4-H Office writing we want to hear from our talented Club Reporters!

Do you have a club reporter and want to sign up for a month in the next Quarter? (June – August). Email Abby to set a month and she'll help remind you.

Don't have a club reporter? Look at the [Reporter Packet](#) and see if you want to volunteer to be one for your club/group.

Only need 300 words about what your club has been doing or what they will be doing.

Please also send a photo or two!

Report Volunteer Hours!

Use your phone, tablet, pc, laptop and log on to the **WSU Volunteer Database**, <http://ext.wsu.edu/Volunteers/logon.aspx>, to report your volunteer hours each month.

Your user name will be either your last name only or your first & last name with a space in between. The password is password! (don't forget the exclamation point).

2020 Virtual Legacy Awards

National 4-H Hosted the 2020 Legacy Awards Virtually to celebrate the outstanding 4-H youth, alumni and sponsors who bring our mission to life every day. While the program changed this year, the impact on kids across the country has not. Thank you for your continued support!

Teen Conference is changing to a virtual teen conference! Save these dates as we wait for more information from the planning committee:

June 22-25, 2020

A new application season for the 4-H Youth in Action program was initiated in January by National 4-H Council; after hearing from Extension professionals and students that spring is a better time for youth to apply for scholarships, the application season has been shifted to better support 4-Hers and professionals alike. From now until April 27, 2020, youth can share their stories of developing passion, finding purpose, and inspiring others by applying [here](#) for the 2021 4-H Youth in Action Awards for a chance to earn a \$5,000 scholarship and a trip to Washington, D.C.!

Cancellation of 2020 Summer Programs

In this challenging time, the States 4-H International Exchange Board of Directors made the difficult decision to cancel both Outbound and Inbound summer programming this year. We recognize this will cause disappointment for many, but the safety of our delegates, host families and chaperones remain our highest priority.

States 4-H continues to develop international programming and we all look forward to a strong program in 2021. We hope you'll be able to join us then.
