AROUND THE (HOME) OFFICE

At the 4-H Office were looking forward to connecting with each of our Clubs during our Club Kick-Off sessions. Another fun program has been sharing our Art & Math project kits for local kids, and there are other exciting kits underway ☺. We want to encourage you to reenroll, connect with your club leader, and check out the Great Recycling Contest! It's a fun way to work with your friends from a distance and make a difference!

If you are considering becoming a 4-H Volunteer we are hosting a New Volunteer Orientation in November or December. Contact us to start the process in time to participate in our training.

Explore fun, educational activities and learning experiences for kids and teens to do at home.

4-H at Home inspires kids and teens to learn, grow, and charge ahead in their lives through critical learning resources accessible to all kids.

Explore this page to receive hundreds of educational activities for kids in topics like STEM, healthy living, and crafting, including step-by-step videos, activity guides, and more.
