AROUND THE OFFICE

I'm really excited to have our first virtual health and nutrition program of the year up and running at with students at the REACH Afterschool Program.

Look for information about Virtual Summer Sessions for local kids soon! It's one of my favorite programs we're able to offer, in part because of the work I get to do with our teen teachers.

The last few weeks have been busy processing enrollments and getting volunteers certified and new families placed with clubs. We continue to work with volunteers interested in applying to resume in-person 4-H activities.

For local clubs interested in resuming in-person programming please contact the 4-H Office with any questions.

ANNOUNCEMENTS

- Our 4-H Virtual Healthy Habits Summer Series Program is continueing this year! Dates and registration will be out next week. Watch our Facebook page and your email for more.
- Resuming In-Person 4-H Trainings will continue once a month. Let us know if you are interested.

4HOnline is all new!

The enrollment deadline was May 3rd for fair participation as a 4-H member. Youth may still enroll after the deadline to ensure they are covered by 4-H insurance. Log in to the new system with the same username and password, and work through the steps to get enrolled. There are easy-to-use guides available for all users on the [state 4-H website](https://state.4honline.com).

SKILLS CONTEST

For the remainder of this 4-H year, we are offering Skill Builder monthly challenges and participating is simple!

1. Go to our website and view the instructions for each challenge.
2. Complete the challenges.
3. Send in a photo of the completed challenge by the end of the month (instructions are provided) to the 4-H Office.

That's it! For each challenge you complete and submit a photo of, you will be entered into a drawing for prizes at the end of the 4-H year. The Skill Builder Monthly Challenges will be offered through September 2021, and the drawing will take place during National 4-H week at the start of October. Have fun, and build those skills!

Reminder

While it has been some time since we have all been able to gather as clubs, we must remain diligent to keep our personal distance and remember that we must continue to only meet virtually.

Skill Builders MONTHLY 4-H CHALLENGE

Complete any of our monthly Skill Builders challenges and send a photo of the finished project to the 4-H office to be entered into a drawing for prizes! Detailed instructions at <https://extension.wsu.edu/klickitat/4-h-skill-builders/>

FOOD CHALLENGE

Using food only, create an edible (& delicious) portrait of a mom in your life!

STILL CHALLENGE

Create a model of a volcano in honor of the 41st anniversary of the eruption of Mount St. Helens using clay, legos, or paper mache!

MAY

LEADERSHIP CHALLENGE

Read about the 2021 4-H Youth in Action Award Winners and write an essay about what you learned, what inspired you, and how it relates to your experiences in 4-H!

ANIMAL CHALLENGE

Design your own unique herd brand. Using cardboard and rubber bands, create your own stamp of that brand!

For more information, email abby.brandt@wsu.edu
