

# LEARN NETWORK GROW

## 2016-2017 WSU Extension Growing Groceries Program

**LEARN** the latest research-based practices for growing and harvest success.

**NETWORK** with the Growing Groceries community as you learn to grow and harvest healthy food for your family.

**GROW** your garden and help your family and friends increase access to fresh, healthy food.

### Topics include:

- Soil health, amendments, soil testing
- Developing/maintaining healthy soils
- Garden siting and planning
- Starting seeds and growing transplants
- Heirloom vegetables
- Irrigation and weed management
- Non-toxic pest management
- Growing berries and other fruit
