

# LEARN NETWORK GROW

## 2018-2019 WSU Extension Growing Groceries Program

**LEARN** the latest research-based practices for growing and harvest success.

**NETWORK** with the Growing Groceries community as you learn to grow and harvest healthy food for your family.

**GROW** your garden and help your family and friends increase access to fresh, healthy food.

### Topics include:

- Soil health, amendments, soil testing
- Developing/maintaining healthy soils
- Crop rotation, succession planting
- Starting seeds and growing transplants
- Growing vegetables A-Z
- Irrigation and weed management
- Non-toxic pest management
- Growing berries and other small fruit

*For more information on the classes, visit [extension.wsu.edu/snohomish/growing-groceries](http://extension.wsu.edu/snohomish/growing-groceries)*
