

Woohoo!

It's official! Having concluded a rigorous search and interview process, we are thrilled to announce that Kristi Boyd is now the full-time 4-H secretary! Be sure to congratulate her! Kristi says, "I'm all ears! Tell me how I can help you with 4-H!"

New Stuff:

Volunteer Classes Coming Up

Project Leadership, the prerequisite class for all project leaders and also required within two years for program leaders, will be offered Monday, **January 14th**, 6:30 – 9:00 p.m. at Extension.

Delegation, required within two years of becoming a club leader, program leader, committee chair, or Council officer, will be offered Wednesday, **January 16th**, 7:00 – 9:00 p.m. at Extension.

Young Alumni Gathering—Spread the Word!

Join other grads on Tuesday, **December 18th** at McMenamins in Mill Creek (right up the street from the Extension office) at 7 p.m.! This annual gathering of 20-somethings and almost-20s is a time to reconnect with old friends and make new ones! Appetizers and lemonade/root beer provided. Find details on Facebook here:

[Annual Snohomish County 4-H Young Alumni Gathering](#)

The Temple Grandin Movie!

The beef program is hosting a showing of the Temple Grandin movie, and everyone is invited!

December 18th at 5pm, at the Swineshire Farm (9304 156th St. SE Snohomish).

The movie will give members an insight to current practices in the beef industry and the woman who revolutionized how cattle are processed and treated. RSVP to swineshire@gmail.com and bring a snack to share!

Public Presentations Class

This is your chance! Once a year, Dena offers a class all about Public Presentations! Learn about the different types and how they are scored, get tips for success, and solicit feedback on your ideas! Required once for club leaders within two years. Useful for anyone, youth and adults.

SATURDAY, January 5th, 1:00 – 3:00 p.m., at Extension. (Note, NOT on a Sunday, in case you heard that rumor.)

Sign up here: <https://www.signupgenius.com/go/10c0d4caca62fa3f85-4hpublic>

Many of you have already signed up, so please sign up only once.

Quality Assurance Class: Cud and nutrients and rumination, oh my!

Quality Assurance Tuesday **December 11** at the Extension office at 7 p.m.

We will explore the ruminant stomach and how it works. Discussion of food types for ruminants and how to store feeds. Bring your record books and emergency farm plans (or let me know if you need a new one for this year). We will be updating these as well. Please RSVP to Beth.morrison@wsu.edu
