

June 12, 2020

Dear Snohomish County 4-H Community,

We hope you are well. With school winding down and the summer months just around the corner, it seems we're just waiting on the weather to turn around; and Phase 4, of course. In the meantime, we have been busy working on some things that we are excited to share with you!

What's new:

During this time of uncertainty, we feel it is important to take moments to evaluate personal emotional and mental health, and take advantage of resources that can help us process the circumstances we find ourselves in. To that end, we have scheduled the first of our series of Listening and Support Circles for Friday, June 26th at 4:30pm. This session will be facilitated by Mary Cline-Stively of Child Strive and her colleagues. This event is open to all youth and adults, we will use breakout rooms to appropriately group attendees. Please register by clicking the [registration link here](#).

It's time to vote for the 4-H bandana design that you like best! We had two fantastic submissions. Cast your vote here: [4-H Bandana Contest Ballot](#)! Voting ends Sunday, June 21st at midnight!

A few reminders:

Did you know that we have 52 amazing seniors that will be graduating our 4-H program this year? Snohomish County 4-H would like to honor their accomplishments by celebrating each one of them on our Snohomish County 4-H Facebook page. If you could help us, we need a picture (preferably their senior picture) and a few of your favorite memories of them. You can tell us about their character, how they influenced you in 4-H, or why they are just an all-around amazing person. We would like to make sure everyone is honored; would you be able to help? Please submit your seniors to our email at snoco.4h@wsu.edu. Thank you so much for helping us recognize them!

Tea Time is our weekly virtual office hours where rotating staff members are available to answer questions or just hang out and visit. Drop in any time between 3:30 and 6:30 pm on Mondays, Wednesdays, and Fridays. We've added themes to our Friday hours and have really enjoyed sharing that fun with all of you! Friday, June 19, our theme is LEGO creations! All are welcome! Show us what you've made or are working on! Look for the event on Facebook, or join us through your Zoom account here: [Tea Time](#)

We'd love to see every project represented in our **Snohomish County 4-H Youth Council (YAC)** as we work cooperatively to plan and implement meaningful leadership opportunities for Snohomish County 4-H Youth. Please join us for our first "official" YAC Meeting on Monday, June 29th at 7 pm through your Zoom account: [Sno Co 4-H YAC Meeting](#)

Coming Soon (watch your email from 4-H Online): Co-op 4-H Feed Drive to help 4-H youth purchase feed for their project animals during this global crisis.

Summer is almost here! We'll get through this together!!

Your Snohomish County 4-H Team,

Ashley Hall | 4-H Assistant Professor
