

Repair Café – Useful sewing sites

Basic sewing skills:

The Spruce Crafts – go to Needle Crafts section – Sewing section

Lots of sewing related information, both hand and machine sewing. Check out the “beginner sewing” info. Do a search for whatever you need to fix and it will probably be here.

Making fabric masks:

How to make a no sew mask: <https://www.thespruce.com/no-sew-mask-4801991>

The Spruce Crafts listing of mask patterns. <https://www.thesprucecrafts.com/diy-face-masks-4800726>

The basic mask pattern that I use is from a site called **Craft Passion**. This has 4 different sizes with a pocket for a liner. There is a video as well as written instructions.

<https://www.craftpassion.com/face-mask-sewing-pattern>

The Fabric Patch from Ephrata, WA is a wonderful source for instructions. They have used the Craft Passion pattern and added more information to it. On their site, you can find 4 videos which are worth your time as well as a link to a Jesse Killion pattern which altered the Craft Passion pattern to improve the fit.
