| 820-830 | Closing Checkout – Questions? |

Learning Goals

- ☐ I can explain the relationship between WSU and WSU Extension.
- ☐ I can meet and introduce a fellow participant and list one thing about them.
- ☐ I can define my motivations and goals for participation in this training.
- ☐ I can define various reasons to become involved in the community.
- ☒ I can understand the scope of our consumption/waste impact
- ☒ I can make a plan to accomplish environmental goals
- ☐ I can summarize my learning.

Notes:

What is the relationship between WSU and WSU Extension? List two aspects of that relationship.

I met ____ and their hobby is ____.

I met ____ and their hobby is ____.

I am motivated to do this because_____.

Other reasons to become involved include:

The Ecochallenge goals I have selected for myself are as follows:

My big takeaways from today are _____.

I am excited to learn about _____.
