KYG is open to everyone 13 years old and older this year! Even those not enrolled in 4-H! Learn how laws are created as we explore the legislative process. Interactive sessions in Zoom rooms will lead up to an in-person event in March. 4-H swag is awarded for participation in more events and activities. Check it out at <https://sites.google.com/view/kyg-2022>

Continuing Education for Volunteers!

From Project Leadership to Conflict Management, and even Zoom for Late Bloomers, get the workshops you need for your 4-H volunteer role! Various dates this fall, plus Saturday 12/11. See what's on the menu and requirements for your position at <https://www.signupgenius.com/go/70a0a4aa9a82ba0ff2-fall1>

Hydroponics!

Gardening enthusiasts take note! Free online workshops, "Discover through Hydroponics," for youth ages 7-10 are offered the second Tuesday of the month at 1:00 p.m. by 4-H partnering organization, the Ummah Sustained Agroecology Center. In-person classes take place in Bothell on Thursdays.

Vaccine or Exemption Requirement for Volunteers

In order to have an approved enrollment in 4-H Online this year, volunteers need either to show their proof of COVID-19 vaccination or obtain an approved exemption. Here's how:

- Show your proof of vaccination to a staff member during virtual office hours or by appointment, OR show it to Pat Pehling at many horse events. OR
- Apply for an exemption through the process described here.
