Woohoo!

Two Snohomish County teams participated in last weekend's state livestock judging contest! Our Intermediate team took second place, and our Senior team placed fourth! Thank you, Marlin Newhouse, for coaching these hard-working youth!

New Stuff:

4-H Council Meeting July 13th

The next meeting of the Snohomish County 4-H Council will be Wednesday, July 13th, at 7 p.m. This will be a **hybrid** meeting, which means anyone who would like to attend in person, in the Willis Tucker Park office, rather than by Zoom, should **let us know**, as space will be limited to avoid crowding, and we'll need to meet you at the door. Please contact Beth at beth.wangen@wsu.edu or 425-320-9971 by noon to reserve an in-person spot.

To attend virtually, [find the joining info here](#).

Reporting 4-H Volunteer Time

WSU's new system for recording volunteer time is now engaged! GivePulse is being used by WSU and across Extension to track a multitude of volunteer efforts. Let's show them what 4-H volunteers are doing to make the world a better place! The first step is to claim your account. Enrolled volunteers should have received an e-mail on July 22nd from Washington State University | GivePulse notification@givepulse.com.

Please click the blue button that says, "Claim Your Account" to take the first step. (There is unfortunately an unfinished-looking bit after that. Sorry. It's legitimate, in spite of that oversight.)
