4-H Volunteer Update!

It's ready! All volunteers will need to watch the 1-hour Volunteer Update for the 2022-2023 year. Get the latest on record books, jacket awards, policies, reporting volunteer time, and club management tips! Please take the time! <https://extension.wsu.edu/snohomish/annual-4-h-volunteer-updates/>

Club leaders who attended the Club leader business meeting in January already have credit for the Update, and those who will attend the upcoming Administrative meeting (program leaders and superintendents) will get credit for the Update at that time. All others will need to watch the video.

Great webinars, food waste pledge, and more! There's even a student art contest! <https://www.foodwastepreventionweek.com/student-art-contest>
