

To: 4-H Member and Parent

Re: Showmanship and Sale Wavier for Auction Animal

This process and application has been developed for the soul propose of allowing outstanding 4-H Members of livestock clubs to auction their project in their unavoidable absence at the San Juan County Fair. This application is for unavoidable circumstances only: i.e. absolutely must leave due to a *College Deadline*, personal or family *major* medical “hardship”. This committee will make every effort to be fair and helpful to the Member. Our goal is to see all Members in 4-H succeed. However this wavier will only be approved under very specific circumstances set forth by the committee. Make sure you have completed all necessary paper work and turn in application as early as possible.

- Only members that have completed “all” County and Club requirement will be considered.
- You must be a long-term member in “Good Standing” in San Juan County 4-H.
- You must have completed at least 3 of your 4 previous 4-H years.
- You must have a proven record in fitting and showing of that specific animal, blue or high blue in previous years.
- Another responsible person must be willing to show type class, put animal in auction and care for your project at the Fair. Another youth member would be preferred.
- You must complete the member form and include any documentation from the college you are attending that might substantiate your need for this wavier.
- You must have your current leader complete and sign the Leader form.
- Application must be turned into the Livestock Committee Head for approval at least 30 days prior to the SJC Fair. Longer if possible. Medical hardship applications will be made on a case-by-case basis. (Can be turned into the Extension Office to be given to Livestock Committee Superintendent)
- If you have any questions please call the Extension Office at 378-4414 or Livestock Committee Superintendent Guard Sundstrom at 378-6395

Thank you,  
Livestock Committee
