

HOW TO FILL OUT AND USE THIS CERTIFICATE

This certificate is designed to be used as long as you have this animal as a 4-H project. The first year, fill out the certificate and obtain proper signatures. If the same animal remains a project animal, the original copy of this certificate can be returned to the 4-H Dairy Goat Program Leader, c/o County Extension Office, 60 days prior to first show of the year.

4-H Member

This certificate is valuable. Keep it in a safe place. It is a recognition of your project animal. You may be asked to present it at 4-H fairs for identification of animal. At the end of the year, keep it in your record book as a permanent record. If you own your 4-H animal and it is registered, it is recommended that you register it in your name.

Be sure all items are filled out correctly and necessary signatures are included. Turn in completed certificate to 4-H leader.

4-H Leader

At a club meeting early in the new 4-H year, instruct 4-H members on how to fill out the certificate and the importance of animal identification. Ask members to give talks and demonstrations on animal identification and registration. Ask purebred breeder or others to talk to the members on need for identification of animals. Have members return completed forms at a later meeting in time for you to sign and send both copies to the 4-H Dairy Goat Leader, c/o County Extension Office, for signature 60 days prior to first 4-H show of the year.

4-H Dairy Goat Program Leader

First year, sign and date each certificate. Return the original copy to the 4-H leader. Keep second copy for county file.

Each year thereafter, sign and date the original copy of each certificate returned by the 4-H leader. Sign and date the office copy of the certificate.
