APPLICATIONS DUE BY 5:00 P.M. ON APRIL 7, 2017
IMPORTANT INFORMATION FOR THE 2017 WIN! CYCLE

o PROJECT ASSIGNMENT AND SCHEDULING
  ▪ Project timeline – service projects must be completed by August 31, 2017.
  ▪ If your group does not receive their project date at orientation, the project representative will need to call their group’s City contact to schedule their project no later than April 21, 2017. However, we encourage your group to schedule their project within two weeks or as soon as possible.
  ▪ You MUST be able to provide your own transportation to and from the work site of your assigned project. The city will not provide transportation for your group.

o CANCELLATION POLICY
  ▪ Once a group has committed to a date for a WIN! project, they will not be allowed to cancel and re-schedule. Work will be completed rain or shine!

o WIN! PROGRAM GUIDELINES FORM
  ▪ Included with application packet – initial next to each item indicating that you understand the expectations of the program for successful completion of the assigned project. In addition, the form must be signed at the bottom and returned with the completed application packet.

o SAFETY TRAINING FORM
  ▪ Included with application packet – form must be signed and returned with completed application packet.

o FALL WIN! CYCLE
  ▪ There will not be a fall WIN! Cycle for 2017.

LACEY YOUTH GROUPS WIN! PROGRAM AGREEMENT  
(WORK INVOLVEMENT NOW!)

THIS AGREEMENT between the City of Lacey, a municipal corporation, herein after referred to as the "City," and ______________________________________________ (Organization’s Name – Check will be made out to this name)  
____________________________________ hereinafter referred to as the "Grantee."

(Organization’s Mailing Address including Zip Code)

WHEREAS, the City wishes to encourage and assist youth organizations or groups to meet their positive goals while also completing beneficial community projects for the citizens of Lacey; and

WHEREAS, the Grantee has the equipment and adult and youth participants who, with appropriate training by the City, will be able to accomplish the following project:

(Shaded area to be completed by the City)

Project: ______________________________________________

1. The Grantee agrees to provide and supervise the members of the youth organization. The Grantee, which shall provide at least one adult for every four youth ages 15 and under and one adult for every six youth ages 16 through 18, will ensure the safety of the participants. (The ages of work group will be appropriate to the task as shown on the list of projects.) At least one of the adult supervisors assisting with this project has completed a Red Cross or Industrial First Aid class and will have a first aid kit available when working on the project. There shall be a minimum of 8 youth participants per group willing to work a minimum of 40 hours to be eligible for the maximum grant of $300. Adult participation will not exceed one adult per two youth in any one group. (Any work performed by additional adults will not count toward the 40 hour minimum for recipient.) If less than 40 hours are completed, the grant award will be cut in half and the Grantee’s organization will be placed on probation for one year. In addition, if the Grantee’s group fails to meet the minimum “8-youth” criteria the day of the project, the grant will be reduced by half and the Grantee’s organization will be placed on probation for one year. Probation means that WIN! applications submitted by Grantee’s organization during the probationary period will only be selected for a project if an insufficient number of groups submit applications.

2. The City of Lacey will provide instructions, equipment, and minimum supplies which the youth group organization cannot reasonably provide. These materials will be used only as intended and will be returned intact and in good working condition.

3. Following training by City staff, the Grantee will train each participant in pedestrian and applicable safety rules, including thorough training in the attached guidelines. The Grantee will evaluate all participants to determine if they are responsible individuals who will abide by the safety guidelines and use care and caution while participating in the project.
4. The volunteers of the organization will work only in the locations identified by the City of Lacey.

5. The Grantee agrees to complete all work in the manner and time frame set forth by the City and report in writing the completed project.

6. The Grantee will return the Project Participant List showing hours worked by all participants.

7. The Grantee will hold the City harmless from all claims of every kind and character arising out of or in any way connected with the project for the City. **APPLICATION AND WAIVERS OF LIABILITY WILL BE SIGNED FOR EACH PARTICIPANT (YOUTH AND ADULT) PRIOR TO COMMENCEMENT OF THE PROJECT.**

8. It is understood that the Grantee is an independent contractor and is not an agent of the City, and all personnel used by the Grantee in connection with the project proposed by this agreement shall be volunteers of the Grantee and not the City, and shall have no claim against the City for compensation or other benefits available to the employees of the City.

9. The City will pay to the Grantee for the project proposed under this agreement for the period of the Spring 2017 WIN! Program, a sum not to exceed $300, to be paid upon successful completion and acceptance of the proposed work.

10. The final decision in resolving any dispute arising between the Grantee and the City will rest with the City.

11. Applicant verifies that the majority of participants live in the City of Lacey or the North Thurston School District boundaries.

12. Projects for the Spring 2017 WIN! funding cycle will be completed by August 31, 2017 unless permission for an extension date is given in writing by the project contact at the City of Lacey.

EXECUTED this _____________ day of ________________, 20____.

WIN! Program Guidelines Form

Please initial next to each item and sign below as indicated:

_____ The representative who signs the **WIN! Program Safety Form** must be present on their group’s project day. This person is responsible for insuring that waivers of liability are signed and submitted for each participant (youth and adult) prior to commencement of the project.

_____ At least one of the adult supervisors assisting with this project has completed a Red Cross or Industrial **First Aid class** and will have a first aid kit available when working on the project.

_____ Read the entire application packet - proper procedures will be enforced - call if you have questions.

_____ Minimum of 8 youth participants (who must be at least 10 years old).

_____ A group must work a total of 40 hours to receive full grant award of $300. (Grant award will be reduced by ½ if less than 40 hours are completed)

_____ Minimum supervision ratio: every youth group must be closely supervised (**ONE adult for every FOUR youth ages 15 and under and ONE adult for every SIX youth ages 16 through 18**). This supervision shall be the responsibility of the applicant organization. An adult is defined as a person 21 years of age or older.

_____ Maximum supervision ratio: one adult per two youth; any work done by additional adults will not count toward 40 hours.

_____ Waivers are to be completed prior to the day of the project. On the day of the project, last minute participants must complete a waiver form before beginning work. (Waivers must be submitted for youth and adult participants prior to performing work.)

_____ Upon completion of project, fill out the participant list and then give the project folder to city contact person (Jen Burbidge, Cody Lee, Rick Hood, Kim Benedict, David Butler or other staff). Verify all items are enclosed or payment will be delayed.

_____ Service projects must be completed by August 31, 2017.

_____ Call to schedule your project AS SOON AS POSSIBLE - 72 hrs minimum notice, please. Projects must be scheduled no later than April 21, 2017.

_____ **Confirm** signatures on contract.

I have reviewed and understand the above information, as well as agree to abide by the conditions of the Program Agreement and general program guidelines.

WIN! PROGRAM
SAFETY TRAINING

Although we have tried to assign work projects that can be completed safely, there are a number of concerns that must be discussed with your group before beginning your project.

1. **If assigned to work in the Right-of-Way, obey all traffic and pedestrian rules:**
   a. Stay on the sidewalk and out of the road as much as possible.
   b. Cross only at cross walks and when traffic has stopped.
   c. If you will be in the public right-of-way, wear the City-provided safety vest at all times - this is a State requirement.
   d. Drivers are not expecting to see you or your group, so each group member must be aware that they are responsible for their own safety.

2. **Other information:**
   a. If you feel a member of your group cannot work safely because of their age or abilities, please talk with the City employee who will be providing further instructions on your specific project.
   b. Encourage the use of appropriate shoes and gloves as needed. Shoes should be sturdy and closed toed - no sandals or flip flops. Latex gloves will be provided by the City, but you may want to encourage people to bring their own leather or canvas work gloves.
   c. Discuss the possibility of finding materials that could have blood or other potentially infectious materials (syringes and/or prophylactics), and use proper precautions to avoid touching these items. Inform the City contact person and leave the item for them to pick up.
   d. Store tools safely when not in use. Keep sharp points (rake tines, hoes, shovels) pointed down and keep handles out of walkways.

3. **Be aware of the public and their perception of your work:**
   a. Stay out of private yards.
   b. Act responsibly.

IF YOU HAVE QUESTIONS, PLEASE CONTACT THE CITY AT 491-3214.

I have reviewed and understand the above information, as well as agree to abide by the conditions of the Program Agreement and general program guidelines. I further understand that waivers of liability must be signed and submitted for each participant (youth and adult) prior to commencement of the project.
