

**Claim Check** - For Exhibitor's use. This Claim Check portion of the Entry Card is removed at time of entry for **YOU** to keep. The Claim Check is to help you remember what you have entered when you come back to pick up your exhibits. The Claim Check also serves as proof that the exhibit is yours.

**Exhibitor Number** - your Exhibitor Number is the **first letter of your last name and the last 4 digits of your social security number (or other 4 digit number that's easy to remember)**. ALL exhibits must have the SAME exhibitor #

**Exhibit or Contest** - This is a descriptive title of your exhibit. For example: Cat Sketch

**Tag Attachment THIS SIDE!** - Each exhibit item should have its 4-H entry tag attached, either with string, safety pins, or removable tape when brought to the Fair. Please attach the string, safety pins, or removable tape through this right side of the entry tag, **this part of the tag remains with the exhibit throughout the entire Fair.**

**Fair Office Data** - This center portion of the Entry Tag is what the Fair Office uses to process results after judging. This part of the ticket stays with your exhibit until after judging, then gets turned into the Fair Office. Do not attach your exhibit to the Entry Tag through this middle portion because it does not stay with your exhibit through the entire Fair.

**4-H Age Division-** Your 4-H age division at Fair time is determined by the grade just completed.

**Cloverbud:** K - 2nd  
**Junior:** 3rd - 5th  
**Intermediate:** 6th - 8th  
**Senior:** 9th - age 19

**Division, Class, Lot** - You can find this information in the 2017 Thurston County Fair Exhibitor Guide. Each 4-H Project Division is represented by a letter. For example: 4-H Llamas are Division H. Under each Project Division the classes and lots are listed. Select the appropriate classes and lots for your specific exhibit(s). For help selecting the correct class and lot, call your Division Superintendent.
