*Form to be completed by the club leader or designated club representative.*

Club Name: \_\_\_\_\_

Club Leader: \_\_\_\_\_

Contact Information email/phone: \_\_\_\_\_

1. In section one, please share how the 4-H club helped support member 4-H project learning and general activity participation (general activities such as: judging contests, knowledge bowls, public presentations, etc.) during the 19-20 4-H year. You may find it helpful to attach a club schedule or calendar as an addendum to your responses.

1A. Outline club project learning and general activities from October 1, 2019 – March 15, 2020. (Before Covid-19)

1B. Explain how club members pursued project learning goals and 4-H participation during social distancing from March 16, 2020 to September 30, 2020. Consider sharing member participation in virtual 4-H contests and exhibitions. What did the members do and how many members participated in online alternatives?

1C. What did we forget to ask about member learning during social distancing? Feel free to include any other ways your members continued with their 4-H projects during these challenging times.

2. Outline club promotional activities that helped to spread the word about 4-H. (i.e. parade entry, Tractor Supply Clover Days booth, National 4-H Week display, etc.) Please include the number of members in attendance and time involved.
3. Outline your club community service activities (i.e. volunteer at food bank, plant garden bed, collect blankets for the homeless, sew masks for essential workers, etc.) Please include the number of members in attendance and time involved.
