

KING COUNTY 4-H - FAIR EDITION

4-H Positive Youth Development

A huge thank you

Thanks to all that helped make this year's fair the best one, ever. Seeing 4-H'ers in action serving their community is always one of the highlights of the fair.

Thanks to all of the volunteers, parents and kids that helped our staff to set up, run and take down the King County Fair this year. There are so many different ways that 4-H members participate in the fair each year - from showing their animals in over a dozen categories, Public Presentations, Educational displays, Still Life, Cooking demonstrations, Rocketry and Robotics, Woodworking, Fiber Arts and Sewing, Archery demonstrations and more. 4-H Rocks!

#InspireKidstoDo

Many of our Blue Ribbon award winners will be showing in the Washington State Fair in Puyallup which runs from August 30-September 22. Best of luck to all that will be at the State Fair!

Fun Fact: Did you know that there are 70 city, county and state fairs held in Washington this year?

King County Fair Food Booth - thanks!

Message from Floy Ziegler -

A "Shout Out" to all who worked in the Food Booth at fair this year. It was very successful and matches pretty much what was sold last year. This a great way for clubs/projects to earn money to support their programs. It can be difficult to find time to help but but it is greatly appreciated and the checks will be dispersed at the fall leaders meeting. Again thank you.

Volunteer Award nominations

We would not be able to have such amazing 4-H Clubs without the hard work of our incredible volunteers! It is that time to start thinking about who we will recognize as Volunteer of the Year in King County 4-H.

Nominations are due to the King County 4-H office by September 15th.

Nomination forms are now available at our WSU Extension webpage:
