New adult volunteers also need to complete the volunteer application packet, view the Put the Child First video and complete a background check. We will send out background check link once the other parts of the application are complete.

If you show "pending" for members or volunteers, contact Nancy at nbaskett@wsu.edu to resolve that registration issue. Thanks for your help!

Our WSU King County 4-H office will be moving soon to a bigger space! Our new facility will be off of 7th Street in Renton, just a few blocks over from our current facility. Dates are tentative, but the move should be happening between mid-February to March. Details to come.

Volunteer background checks

4-H needs to conduct background checks on all of our volunteers as a safety measure for our 4-H members. This year, we are continuing the process of updating our volunteer background checks. You should have received a link from 4-H online if you are a new or continuing volunteer and were not given a background check last 4-H year.

Classic Riders 4-H giving back to the community

The Classic Riders 4-H Club were again blessed to be able to help a program that is often forgotten around the holidays but is near and dear to their hearts. The Pete Gross House, in downtown Seattle, is a home away from home for cancer patients from around the world undergoing dangerous stem cell transplants and other treatments at the Seattle Cancer Care Alliance. These patients are required to stay away from loved ones in isolation for months or years. They are not allowed to go home for Christmas. We included a couple pics of their apartment door decorations.

For the second year we fundraised, purchased fabric, made and delivered tie blankets to the Pete Gross House for the patients living there. Hoping they provide a safe hug from afar, we are with you!
