Photographing Breeds

Properly posed pictures of side, rear, top, head, and all markings on marked breeds, wool on wool breeds and rings on agouti breeds. Please avoid covering the animals head. This can alter the actual appearance of your animal breed. Please include variety, sex, age division and tattoo. Photos should not be altered or edited.

The photo below is an example of good posing and photos. Ideally there would also be a view of the rabbit facing left. Each photo can be uploaded separately.
