

# Amerigroup Coupon Information

## Introduction

We are excited to be partnering with Amerigroup. Amerigroup Washington, Inc., (“Amerigroup”) is a health maintenance organization dedicated to arranging for the provision of quality health care for the Medicaid and SCHIP population. Although health care is Amerigroup’s primary mission, it recognizes that its Medicaid and SCHIP members require the support of multiple providers and community resources to improve their health and enrich their lives. To this end, Amerigroup intends to work with Washington State 4-H Youth Development Program, to improve the lives of its members.

Amerigroup has agreed to cover the \$25 4-H enrollment fee for their members. The county staff only needs to view the Youth Amerigroup card for verification.

Below is a list of Amerigroup contacts for each area of the state:

  - *Clark, Skamania, Klickitat, Kittitas*

## Process

There are two codes, one for Youth Members and one for CloverBuds. You’ll need to use the appropriate code for the member’s role. The coupon will reduce the enrollment fees charged by 100%. **This does not affect any local programming fees; those will still need to be collected (if NonElectronic) or paid electronically.**

Coupons are to be added by county staff, not provided to families. The coupons should only be applied after the enrollment is in Awaiting Review status.

Steps:

1. Verify the member’s family is enrolled in Amerigroup (view their membership card)
2. Find the member in the awaiting review tab (Enrollments section)
3. Click on their name to access their enrollment record
4. Scroll to the very bottom and click “Edit” in the “Invoice” section
5. A popup box will appear. At the bottom is a box for a coupon code. Paste or type the appropriate code by role into the box and click “Apply”

6. You should see an additional line item showing the coupon is applied.

Coupon Codes (updated for 2023-2024)

Cloverbud	<b>QYRPEQ</b>
Youth Member	<b>FLBSFY</b>
