WELCOME
to the 2018
WSU Asotin County
Master Gardeners
Fall Gardening
Series

Join us for this 3-part gardening series taught by Extension faculty and area horticultural experts. Native Plants and Pollinators, Heirloom Fruit Trees and Firewise Landscaping highlight this fall’s programs.

WSU Asotin County Master Gardeners will also present each evening on a variety of topics.

October 16, 23 & 30
6:00—8:00 pm

Lecture Hall on the
Clarkston Campus of Walla Walla Community College
1470 Bridge Street in Clarkston

Native Plants and Native Pollinators
Heirloom Fruit Trees for the Inland Northwest
Firewise Landscaping & Tree Health
Classes held on Tuesdays
6:00—8:00 p.m.
Clarkston Campus of Walla Walla Community College
1470 Bridge Street in Clarkston, WA

Cost: $7.00 per class, or $18 to attend all 3 classes

Please pre-register by
Friday, October 12th for the 1st class or for all 3 classes.

October 16th - Native Plants and Native Pollinators.
Selecting and planting native plants that provide great pollinator habitat. This class will also discuss identifying butterflies, bumble bees and other pollinators native to our area.
Presenter: Pamela Pavek, Natural Resource Conservation Service in Moscow. Asotin County Master Gardeners John Freeman and Larry Nelson will talk about native pollinators and their habitat.

October 23rd – Heirloom Fruit Trees for the Inland Northwest. This class will discuss the importance of heirloom fruits in biodiversity, adaptability, and sustainability. And why they have great taste!
Presenter: Kathy Callum WSU Spokane County Master Gardener. Asotin County Master Gardener Deloris Davisson will talk about saving heirloom seeds.

October 30th - Firewise Landscaping– Are you prepared? This class will discuss what you can do to help protect your home and acreage from fires. Diseases and insects affecting trees in our area will also be discussed.
Presenter: Dr. Randy Brooks, U. of Idaho Extension Forester. Asotin County Master Gardeners will also present on related topics.
