Learn about Gardening...

The Asotin County Master Gardeners have 12 demonstration gardens, a wonderful resource to learn about many aspects of gardening.

We're proud to be a positive force for health and well-being in our community.

Volunteers have fun together growing, preparing and sharing food grown at the Clarkston Community Garden.

The CCG promotes the growing and sharing fresh, healthy produce with the LC Valley food banks and pantries. This supports the quality of life we all enjoy in the LC Valley.

The LC Valley is a great place to garden!
Located in the “Banana Belt” we enjoy a
very long growing season and mild
winters.

Raised beds are easy to manage and grow
a lot of food. We also offer a limited
amount of in-ground beds for larger
crops.

The Clarkston Community Garden
is 100% volunteer and donation
supported and all donations are tax
deductible. Please mail all
donations to: PO Box 53,
