Re: Asotin County 4-H Clubs on the Web

Thank you for donating your time and effort by becoming a 4-H leader.

As you are aware, our 4-H web site lists Asotin County 4-H Clubs. This list is used for potential members to use when selecting a club and a reference for current members to contact their leaders. It is important that we keep this list up-to-date, especially this time of year.

Please take a few minutes to complete this form. You may return it to me via email or bring it into our office.

Pictures are always a great way to show how fun it is to be a 4-H member. You might want to add some to your club web page. If you see one posted on our web site already, you may tell me where it is (event name and picture number) and I will add it to your club page.

You can view other Asotin County 4-H Club pages at <http://county.wsu.edu/asotin/youth/youth/Pages/Clubs.aspx>

Please feel free to contact me if you have any questions and your quick reply is appreciated.

Club Name: _____

Accepting new members (circle one): Yes Not at this time Family Club Only
