

## Poultry Judges Expectations

Things that will be judged during showmanship.

1. Personal appearance of members. Smiling goes a long way, and members should seem like they are having a good time.
2. Birds need to be clean. **(no mites!)**
3. Members should handle the bird correctly.
4. Must be able to examine the birds head, wings, feet, tail, vent, keelbone, etc.
5. Handling bird in and out of a cage or back and forth between the judge correctly.
6. Member should have basic knowledge about the bird he/she is handling. Breed, variety, diseases, parasites, anatomy such as feathers, types of combs.

Quality judging

1. Birds need to be **clean**, and **groomed**.  
(make sure that the birds breed and variety is correct on the cage tag)
