The garden is open to the public on Tuesdays from 8:00 to 11:00 am, and a Master Gardener  
is on hand to answer questions.**

## Plant Clinics

WSU Asotin County Master Gardeners provide free advice and guidance with garden and landscape problems. Our plant clinic is open each Wednesday, May 16th through Sept 26th from 10:00 a.m. until 1:00 p.m., and is located in the basement of the Asotin County Courthouse, in downtown Asotin. We may also be reached throughout the year by phone at 243-2009.

## Information Clinics

Many Saturdays, from May-September, you'll find the Asotin County Master Gardeners at various sites around Asotin County including the Farmer's Market, and Patt's Garden Center. Be sure to check the Lewiston Morning Tribune, Moneysaver, and local radio stations for dates and times. If you have a plant or insect problem, drop off a sample at our Information Clinic or come to the Plant Clinics on Wednesdays for better diagnosis and management.

## Gardening Workshops

The Asotin County Master Gardeners offer gardening classes to the public several times a year. Past topics have included Lawn Care, Tree Care and Beginning Vegetable Gardening. These workshops are usually held during weekday evenings. Please consult your local newspapers or the Extension Office for dates and times.

## Gardening Classes During Extension Youth Activity Camp

The Extension Youth Activity Camp is held afternoons for one week each summer. Second through 6th grade children in the gardening classes discover the fun and science of gardening, soil, composting, bugs, birds and worms. Youth will participate in fun and educational projects and create their own unique treats.

If you would like to be on the mailing list to receive a brochure when it is available, please call the WSU Asotin County Extension office at 509-243-2009 or email [jreed@co.asotin.wa.us](mailto:jreed@co.asotin.wa.us) or visit our web site at:
