"Plants that Attract Bees, Hummingbirds and Butterflies"

Some of these are from the book 100 Plants to Feed the Bees by Xerces Society:

Anise Hyssop- highly rated (Giant Hyssop and Korean Mint)
Asters good fall blooming plant
Black-Eyed Susan
Blanketflower-Gaillardia aristata
California Poppy I grow Breadseed Poppies and bees love them
Columbine
Coreopsis
Echinacea purpurea- purple coneflower
Lavender species
Lupine
Milkweed
Penstemon- likes it dry
Monarda (Bee Balm)
Liatris- Blazing Star a small bulb
Fireweed
Globe gilla- inexpensive seed
Goldenrod lateseason
Joe Pye Weed
Salvia
Sneezeweed (Helenium) colors in yellow, orange and red)
Blanketflower (Gillardia)
I have grown most of these from seed, but some can be purchased locally, or through a native plant business.

Trees/Shrubs that are Native
Oregon Grape
Ocean Spray
Rhododendron
Redbud
Rose
Serviceberry
Wild Liliac
Willow
Non- native fruit trees, such as cherries, plums, peaches, apples
Many types of Herbs including basil, borage, catmint, hyssop, mint, oregano, chives, rosemary, and thyme.

Hope this is helpful! Tana Truscott
