

Asotin County Horse 4-H

March 21st, 2023

Hello 4-H Exhibitors, leaders, and parents!

We are 7.5 weeks to show date and we are getting very excited to see all the horse exhibitors this year. I know the 4-H members have been working very hard with their horses and it will be great to see their hard work pay off at the upcoming 4-H horse show. I'm attaching to this letter the patterns from our judge for this year. Please note the trail class patterns will be sent out as soon as they are completed. In the meantime, I wanted everyone to get these patterns at the same time and work on them before the upcoming show. Our judge this year has graciously allowed all exhibitors to have the patterns pre-show instead of trying to memorize them at show day.

I would like to personally thank all of the clubs, parents and exhibitors that have reached out and obtained donations so our exhibitors can win prizes this year. We have some AMAZING prizes for the grand champions this year!

We will have two upcoming trail work session days. March 31st from 4-6pm and April 16th from 1-3pm. All exhibitors are welcome to come and navigate the trail obstacles. If we have the trail patterns by then we will set the trail course up for everyone to practice.

Our show will kick off May 13th with a judge's meeting at the announcer booth at 0745. The meeting is a great time for youth to ask the judge any questions they have before the show starts. Tack check will be required before admittance to any riding classes. We will have concessions on site all weekend.
