

Extension Youth Activity Camp 2023

Information

Register early as class sizes are limited.

Classes are first come first serve. Please notify us in case of cancellation so we may offer your spot to another youth on the waiting list.

Open to 4-H and non 4-H youth entering 2nd through 6th grade in the fall of 2023

Transportation:

If someone else will be picking up your child, please let us know when you check your child into camp.

If your child will be walking to and/or from camp, we must have a written note from you on file. Your child will need to check into the registration desk each day and check out before leaving each day. WSU Asotin County Extension is not responsible for your child as soon as they leave the facility

Class descriptions

Session 1 Classes

Gardening

Learn more about the world we live in with hands on activities with soil, pots and plants. Created and taught by WSU Asotin County Master Gardeners. Open to all ages

Beginning Robotics

Youth will use Stemfinity kits to build and code simple robots. Each day children can build a different design from a dinosaur to a catapult. Recommended for children ages 8-10 years old.

Advanced Robotics Part 1

Build a working robot with LEGOS and coding. By the end of the week, children will have their robot going through a maze and following commands! Recommended for youth ages 10-12 years old. Students will go to Part 2 in session 2.

Session 2 Classes

Arts and Crafts/ Sewing

Express your creative side. Make handcrafted items, paint and sew projects with our artistic 4-H leaders and members. Open to all ages.

Archery

Learn all about Archery and a shoot bow and arrow. Led by a certified 4-H Shooting Sports Instructor. Must be 8 or older to participate.

Advanced Robotics Part 2

This is a continuation of the Advanced Robotics Part 1 class.
