

After the April 1st Grays Harbor 4-H Fair Eligibility Deadline:

- * Families CAN still create a profile and update their basic information
- * Families CAN still add a club under the “Participation” tab
- * Families CAN NOT add projects under the “Participation” tab
 - > When a family tries to add a project, an error message will appear on the screen, which states:
*Project selection deadline is 4/1/20***
Contact your county office if you need to enroll in a project
- * Families CAN NOT submit enrollment for confirmation
 - > When a family tries to submit enrollment, an error message will appear on the screen, which states:
You must select a minimum of 1 project(s)
Please correct before continuing

- * Families will need to log out and contact their Club Leader or County Extension staff for more information
 - > The family profile will remain in the database with a status of “Incomplete”
 - > The family profile will remain visible in the family “Member List” and in the Club Leader dashboard
