

2013-2014 4-H Year

Hello 4-H Youth Development volunteers,

Thank you for contacting the WSU Extension office about your interest in starting a Facebook page! Social media can be a wonderful tool to quickly communicate with many people about the Positive Youth Development opportunities that are available in our community.

As you are designing and maintaining your page, please remember that resources for using the 4-H name and emblem appropriately can be found online at:

http://www.csrees.usda.gov/nea/family/res/pdfs/using_the_4h_name.pdf

In order to ensure the safest environment possible for our youth and volunteers, State Director, Pat BoyEs, encourages you to add the following statement to your Facebook pages:

4-H Members, Leaders and Friends – Please consider this Facebook page an extension of the Washington State University Extension 4-H Youth Development Grays Harbor County program. Your posts, photos, videos, events, etc. should reflect 4-H's high moral, ethical and behavioral conduct. Keep in mind your "Valuable Partnership Agreement" and "Code of Conduct" while using this utility. It is **your responsibility** to read and understand Facebook's Privacy Policy, Statement of Rights and Responsibilities and other user guides. Materials posted on or connected to this page may (despite safeguards and utility "permissions") be accessed, forwarded, copied, changed, stored and manipulated by individuals without good intentions or may unintentionally cause harm.

Please feel free to contact me if I can answer any questions.

Thanks again,

Tracie Hanson
