• Please keep children under control
• Leave pets at home
• Wear "grubbies" & sturdy shoes for U-pick
• Enjoy yourself and the farming experience

Cape Cod of the West
Cranberry Bogs of Grayland are a unique and cherished resource of Grays Harbor with a long history. Ed Benn, nephew of Samuel Benn (founder of Aberdeen), planted Grayland's first cranberries in 1912. Today most of Washington's cranberry crop is marketed cooperatively through Ocean Spray Cranberries, Inc. Grayland is home to the Cranberry Furford Picker, named after its inventor, a machine that harvests and prunes the cranberry crop. Autumn is a beautiful time to visit the cranberry bogs in Grayland, be sure to visit the Cranberry Festival, October 13 - 14, 2018 at the Cranberry Museum, 2395 State Route 105, Grayland, WA 98547.
