LOOKING FOR A NEW HOME – Pet Goats & Katahdin Hair Sheep

Bud is looking for a good home for his pet goats (a 3-year old Nubian female and Oberhasli wether) as well as his pet sheep (4-year old female and wether Katahdin hair sheep). For more information, contact Bud at (360)495-3350.

LOOKING FOR A NEW HOME – Roosters

In my quest to have more laying hens, I have gotten about 8 roosters. I was wondering if you know of any 4Hers who would like to be given these roosters for whatever purposes they see fit for them? They're about 16-18 weeks old and several different breeds. I live in South Elma. Thanks for your help.

4-H FOR YOU – Reserve Your Kit Now

Reserve your 4-H FOR YOU kit today! We plan to open reservations for kits to the community on September 24 so reserve yours now!

The September Emergency Preparedness and Surviving a Zombie Apocalypse kit is very timely as we head into fall and winter storm season. You will work your way through a series of activities related to emergencies, first aid, natural disasters, and more! You will also learn how a survival bracelet can serve as an excellent addition to your home emergency kit and make your very own Paracord survival bracelet with the included supplies.

Leaders, while we can't meet face-to-face the activities would make a great virtual club project! please encourage your club members to participate! The activities are appropriate for all 4-H members.

To reserve your free kit please visit <https://tinyurl.com/y3a2k95n> and complete the reservation information. (Limit one kit per family/household) You will be notified via email when the bags are ready to be picked up at the WSU/Grays Harbor County Extension Office. Estimated pickup date is the week of September 26-October 2. If you have questions, please email Tracie Hanson tracie.hanson@wsu.edu.
