

### THE GOAL:

To invest in the future of agriculture through youth; offering an educational experience in selecting, feeding, and marketing the finished product.

### WHO buys at the Livestock Sale?

Anyone interested in supporting Grays Harbor youth in 4-H or FFA and has an appreciation for top quality beef, pork, lamb, goat, rabbit and poultry.

### 2023 AUCTION:

**Grays Harbor Fairgrounds**  
32 Elma McCleary RD **NEW TIME!**

**Saturday, August 5th @ Noon**

**If you would like to be a part of this year's sale or would like more information, contact:**

GHYLA.publicrelations@gmail.com

**Donna Boyer..... (360) 482-5818**  
GHYLA Secretary

## HOW CAN I PARTICIPATE?

### 1) TURNING:

Definition: Paying a support price and allowing the animal to be “turned”, or resold, to a commercial buyer at the market price, or “floor”, that has been established. **The buyer does not take possession of the animal.**

### 2) PURCHASING OUTRIGHT:

Purchasing a steer, lamb, hog or market goat for custom processing. There is an additional cost for processing.

An animal may be purchased by more than one individual/business if you wish to split an animal. Buyers make their own arrangements to do this and bid as one entity. Each buyer is responsible for their share of the purchase price and pays the Treasurer.

Rabbits and Chickens are sold as a "pen" in groups of three. All other livestock are sold individually.

### 3) DONATION:

You may contribute any amount of money to a specific individual or as a general donation to be distributed among all participants by the GHYLA Committee.

## THANK YOU 2022 BUYERS!

4-H offers youth the opportunity to develop skills relating to all aspects of life. The 4-H Program of Washington State emphasizes learning through all means. The 4-H program teaches sportsmanship, responsibility, and respect for oneself and others, as well as the development of skills that will lead to success in future challenges.

FFA is dedicated to the promotion of Washington agriculture, economic growth, and ecology. The youth of FFA are educated in the industry of agriculture. Skills of showmanship, display, and confidence are combined with the development of agricultural leadership.
