# SOIL TESTING AND SUPPLEMENTATION SEMINAR

**Learn how to test and supplement your soil!  
Walk away with your own custom soil supplementa-  
tion plan!**

This two evening seminar will help you understand your soil and the supplements it needs for better production and crop health.

For more information and to register contact WSU Stevens County Extension at 684-2588.

**Get your soil in shape for spring planting!**

Reasonable accommodations will be made for persons with disabilities and special needs who contact Adena Sabins at 986 S. Main, Colville, WA, 509-684-2588, [asabins@wsu.edu](mailto:asabins@wsu.edu) at least two weeks prior to the event.

Extension programs and employment are available to all without discrimination. Evidence of noncompliance may be reported through your local Extension office.
