

Bluetongue and Fire Season Aftermath

• WASHINGTON STATE UNIVERSITY STEVENS COUNTY EXTENSION •

Monday, May 16 at 3:00 pm - 5:00 pm

Free and Open to the Public
No registration required

Agenda

3:00 pm - 3:50 pm Bluetongue - Who's at Risk?

Presented by Paul Kuber, WSU NE Regional Livestock Extension Specialist

Learn about the origin of bluetongue, which animals are at risk, prevention and treatment of the disease.

4:00 pm - 4:50 pm Fire Season Aftermath - What Livestock Producers Should Know in NE Washington

Presented by Paul Kuber, WSU NE Regional Livestock Extension Specialist

Learn what livestock producers need to be aware of regarding land management and health of food producing animals in areas affected by fire. Discussion will include how to deal with invasive plant life, nutritional deficiencies in grazing animals, and with disease and parasite issues.

2 Pesticide License re-certification credits have been applied for to the WSDA for this event

Will be held at
WSU Stevens County
Extension office
986 S. Main
Colville, WA
