4-H Youth Development – Come Join the Fun!

October 1st starts the new 4-H year! Come and join the FUN! The 4-H Youth Development program is the largest youth serving organization in the United States. 4-H is alive and well right here in Mason County! 4-H Community Clubs are the foundation of the 4-H program!

The 4-H club is where youth get the opportunity learn leadership skills such as decision making, communication, team work, problem solving, compromise, event planning, and follow-through. Youth members can serve in leadership positions such as President, Vice-President, Treasurer, Secretary, and other important leadership roles needed. Caring adult volunteer work with youth members in the 4-H club to achieve their goals. The sky is the limit on what a 4-H club can do!

Right here in Mason County, 4-H clubs work on various projects that include horses, dogs, sewing, robotics, archery, leadership, forestry education, and more. The 4-H program is always looking to add new clubs.

A new resource available to assist members and volunteers start a new 4-H club is here! The “4-H Club Starter Kit” is a resource that will help any dedicated volunteer have the resources and tools needed to start and operate a 4-H club. The kit includes sample activities, meeting agendas, promotional tools, curriculum guides, stickers, bracelets, and even a flag set! This kit is available to all interested people looking to start a 4-H club. If being a 4-H volunteer and starting a 4-H club interests you, please contact us!

Come learn more about the 4-H program on October 25th from 5:30pm-7:00pm at the Mason Transit Center Gymnasium at our 4-H Fall Fair! Games, Food, and Fun for all!
