4-H Fall Fair – Come Join the Fun!

October 1st starts the new 4-H year! Mason County 4-H Youth Development is excited to get the new year off to a great start!

On Thursday, October 25th, from 5:30pm-7:00pm at the Transit Community Center, we will be hosting our 4-H Fall Fair and Ice Cream Social! This free event for all will showcase many of the great things you can do in 4-H. We will have hands-on activities such as “9-Square in the air”, huge tables of Legos, Lego robotics, Speed Stacking and so much more! Some of our 4-H clubs will have information available on how to get involved. Right here in Mason County, approximately 20 4-H clubs work on various projects that include horses, dogs, sewing, robotics, archery, leadership, forestry education, and more. The 4-H program is always looking to add new clubs. Come and find out more about 4-H!

At this great event, we will also be celebrating the wonderful accomplishments of the past 4-H year! Members will receive project pins and recognition and we will be honoring our adult leader of the year!

I hope you can join us!
